Interment was in Hughes cemetery at Sioux.

Farm Questions

Question: What type of soil should roses be planted in?

Answer: In many cases the home gardener has only a limited area of ground available. For that reason it may not be possible to select an ideal location for the rose garden, but if possible a place should be selected where the soil is well drained and where the plants will be exposed to full sunlight for at least the greater part of the day.

The best soil for the roses is a rich clay loam

SCHOOL HOLIDAYS

Christmas holidays for Yancey county schools, will begin on Friday, Dec. 19, and students will return to school on Thursday, January 1, according to announcement made today from the superintendent of education's office.

On Dean's List

The Dean of Lees McRae College has announced that Robert C. Howell of Green Mountain has made Dean's list for the first quarter.

GOAL HAS NOT BEEN REACHED IN SALE OF SAVINGS BONDS

North Carolina's 1947 goal of \$94,000,000 for sale of series E, F and G U. S. Savings Bonds has not yet been reached, according to the latest report from division headquarters in Greensboro.

The December 1 report by the Federal Reserve Bank stated that sales had passed the 76 million mark.

This leaves a total of approximately 18 million dollars to be sold by December 31 if the state quota is reached.

Citizens of the state are urged to give "Bonds for Christmas" as this is a means of making a good investment and getting full value for your money.

Presbyterian Church

Sunday at 11 o'clock in Burnsville, Dr. Harris will speak on "Sharing", at 3 p. m. service at Low Gap. Everyone invited.

Mrs. Guss Peterson visited relatives in Erwin during the Thanksgiving holidays.

"FREEDOM TRAIN" WILL VISIT ASHEVILLE IN SEPTEMBER, 1948

Much interest is being shown throughout the nation in the "Freedom Train" which is now on a tour of the states. Numerous inquiries have been made here about the date of its visit to this section of the state.

Christopher Crittenden, chairman for visits of the train in North Carolina, has announced that it is now tentatively scheduled to be in Asheville on September 1, 1948. It is now in the eastern part of the state but will proceed then to South Carolina and other sections farther south.

The train is painted red, white and blue and carries in its three exhibition cars some 130 documents and flags significant in the growth of American liberty.

Higgins Community News

Thanksgiving Meeting
The community Thanksgiving dinner was held on Sunday at Higgins, followed by a program in observance of the season.

Guest speaker was Miss Ina Fleanor who was a representative of Warren Wilson college at the Young People's assembly at Grinnell, Iowa last summer. She discussed the assembly at which were gathered two thousand young people, all of whom were dedicating themselves to some kind of special work.

Other visiting guests were Mr. and Mrs. J. S. LeFevre of Burnsville and others from Warren Wilson college.

Approximately 40 guests attended the meeting.

Aviation Cadet Training

Wartime-qualified Aviation Cadets whose hopes for pilot training with the Air Force were ended by the curtailment of the Aviation Cadet Program in 1944-45 may be reinstated, Captain John J. Nowack said today.

The United States Air Force estimates that there are approximately 35,000 young men who had qualified for Aviation Cadet pilot training during the war who were either awaiting assignment to or actually undergoing flying instruction when the program was curtailed in 1944 and 1945 because of the successful progress of the war, he said.

The acceleration of the Aviation Cadet Pilot Training Program to a total of 3,000 Aviation Cadets during 1948 will make it possible for the Air Force to fulfill its obligation to many of these men who volunteered during the war.

INFANT DIES

Funeral services for the infant son of Mr. and Mrs. Grant McCourry were held at the home Thursday morning with Dr. Charles Harris officiating. Burial was in the family cemetery at Mine Fork.

In addition to the parents, survivors include a twin sister, three other sisters, Mary Belle, Iris, Palma; one brother, Wayne; the grandparents, Mr. and Mrs. Mal McCourry, and Mr. and Mrs. Gus Edwards.

Christmas Mailing Suggestion Is Made

Members of the post office staff here are asking for the cooperation of the public during the Christmas mailing season. If the following suggestions and postal regulations are followed it will be of great help to them at this time, and will insure better delivery of Christmas mail.

Postage—Prepay postage fully on all mail matter.

Addresses: Address all matter plainly and completely in ink, giving street address or box or rural route number whenever possible, and zone number when applicable.

Place senders' return card in upper left corner of address side. Tags should not be used unless necessary, in which case a copy of the address and return card should be placed inside the parcel for identification if tag is lost.

Packing and wrapping. Pack articles carefully in strong, durable containers. Wrap parcels securely, but do not seal them except when bearing a printed en-

dorsement reading, "Contents, merchandise. Postmaster: This parcel may be opened for postal inspection if necessary", together with name and address of sender, as sealed parcels not so labeled are subject to postage at the letter rate.

Perishable matter. Parcels containing perishable articles should be endorsed with the word "Perishable" by postmaster or other postal employees.

Permissible additions. Parcels may be marked "Do not open until Christmas", this being permitted to encourage early mailing.

Seals. Christmas seals or stickers should not be placed on the address side of mail.

Stamps. Save time by buying stamps in advance.

Greeting cards decorated with so-called glitter substances bearing particles of glass, mica, etc., which are likely to rub off and injure postal employees or canceling machine must be inclosed in envelopes tightly sealed to the corners, and sent first class.

THERE IS A FOOD EMERGENCY BECAUSE...

1. This year Western Europe has had the lowest per-capita crop yield in recent history.
2. In addition, there was a 900,000,000 bushel loss in our own corn crop this year.
3. This means millions of unfortunate people, in countries friendly to us, will go hungry this winter. Do your part in saving food.
