BURNSVILLE "So They Say"

The weather! Real summer for a few days, then cool again. Wonderful display of early blooming flowers and the trees beginning to bud. Wonderful time! And we agree with the remark we overheard this morning early: "We have the prettiest square in the whole state!"

About town: Weddings. Ruby Robinson and Lucius Smith now back from their wedding trip to Florida. . . Mona Lee Griffith and Bob Hilliard and Evelyn Alley and Edward Anglin were married March 6! . . . J. S. LeFevre quite ill of flu this week. . . Congratulations to the Methodist folks. A lovely Hammond organ installed this week. Very impressive special pre-Easter services have been held each evening this week, and the organ music added much to the beauty of the services. Concluding service tonight from 7 to 8, and all people of the town are invited. . . Special services at all the churches too, on Sunday. . . Much building now in progress. . . Buster and Raylene Stamey are building next door to the Wilke Beelers. . . O. K. Masters and James and Roy Ray are building a garage apartment on Orchard Drive. . . Dewey Mitchell a house near the Fillmore Young home. . . the Halliday and Fouts' homes already started. . . Soon we won't know the Hometown. There have been many changes. Theresa Valentine whom many of you remember, here this week and recalled the fact that in 1921 when she came here as telephone operator there were 5 telephones in the whole county. . .

CLEAN-UP MAKES FARMS SAFER, MORE EFFICIENT

A good spring clean-up not only increases farm efficiency but also eliminates hazards which might cause injury to animals or people. A few hours spent now may result in the saving of many days during the busy season later on.

SUBSCRIBE TO THE RECORD

Production of eggs on North Carolina farms during January was up seasonally, but still 14 million eggs below January production a year earlier.

The yield per acre for all types of tobacco grown in North Carolina increased from 665 pounds in 1929 to 1,142 pounds in 1946.
