BURNSVILLE— "So They Say"

The weather: Typically April, with warm showers. About town! Car inspection started this week and has been the No. 1 attraction—to car owners and spectators alike! Towns that don't have a "square" surely can't have as interesting a week. The lane is set up on the south side of the square, cars line up around the square to drive through, and the spectators line up on the square to watch! . . . The inspectors give a thorough inspection, and many of the cars need some adjustment made to pass the rigid safety tests. Lloyd Blalock, supervisor for the western area, was here to get things lined up. Senior play at BHS was very well given and most enjoyable. All the young actors and actresses gave fine performances. . . New man in bank with D. H. Covington: Bill Robinson of North Wilkesboro. . . Cooper's new Grocery Store now open. . . First of the Miami folks—J. E. Com-forts—arrive at Pensacola for season—and Bertha M. Palmer plans to be at camp around May 1st. . . Grand trip: Pearl Huskins, Bill and Peggy Jean to New York to ship the good looking green Buick Convertible to Sam, Jr., who is still in Germany. . . J. S. LeFevre still improving and hopes to be home next week. Fine surprise last Saturday when his brothers, Krist, George and Sam LeFevre, and a brother in law, Frank Stauffer, all of Lancaster, Pa. came down to see him! John Evans still confined to his home at Cane River because of rheumatism. . . Thelma Anglin Edge out again after an operation. . .

YOUR FAVORITE SNAP-SHOT enlarged to 5x7 inches and laminated, sealed in plastic which protects them for life, from moisture, dirt, wear or tear. Only \$1.85. Send negative and money order to, Galen S. Robinson, Rt. 2, Burnsville, N. C. A22

and Louise Penland McCourry and fine young son, James Randall, home from hospital. . . The season approaches—Ramp Season, we mean—and though Grady Bailey says they really are "Peruvian Onions" we say that by any other name they still smell.
