CLARENCE O. RIDINGS FOR CONGRESS

Clarence O. Ridings was born in Polk county, North Carolina in 1896, and has spent his entire life in the state. He was born on a farm, attended grammar schools of Polk county, Fruitland Institute, and Wake Forest college, where he received his legal education.

He was elected to the General Assembly from Polk county in 1921. He was elected Solicitor of the Eighteenth Judicial District of North Carolina in 1934, and has served in that capacity since.

He is a member of the Baptist church and has been teacher of the Business Men's Bible class for more than 20 years.

He was admitted to the Bar in North Carolina in 1922 and has been a very successful lawyer, practicing notably in Rutherford county, where he has resided since 1922, but in many other surrounding counties.

He spent two years in the Army in World War I, and has been active in American Legion circles. He is acquainted with the problems of the veterans and has been their sincere friend.

Solicitor Ridings, if elected will go to Congress fresh from the people. Born on a farm, educated in the common schools, practicing law since 1922, serving as solicitor of the Eighteenth Judicial District since 1934, serving as a private in World War I, being a Mason and member of the American Legion, and last but not least, being a known friend of the common man, gives him a close touch with the people that should be common to every Congressman.

Solicitor Ridings is not the candidate of any group, class or section, but will endeavor to properly and successfully represent all of the people in his district. He is a friend of both capital and labor; he is a friend of the farmer, and understands his problems. He is a veteran, having served as a private in the first World War will busy himself in the interest of the veteran, whether the veteran served as an officer or a private in either war.

If elected, Mr. Ridings will not sponsor any special legislation favoring a particular group or class. He will be especially interested in those acts which come before Congress for the benefit and betterment of the majority of the citizens, and not in favor of laws for the benefit of the few.

YES, We Are For UMSTEAD!

WHY? He is the only ex-service man running for the United States Senate.

Is he capable? Yes, he has shown by his years of service in behalf of the people of North Carolina that he can accomplish things and not merely make promises.

Would he know you if he met you in Washington? Yes, he came up from the ranks of common people and is one of us. He has never been known to "High Hat" anyone and does not forget the people and the sections who stand by him.

Yes, we are for "Bill" Umstead first, last and always! Remember that you get to vote for "Bill" two times in this Primary, one time for the short term and one time for the long term in the United States Senate. Pass the word around, Fellows.
