- Micaville 14 Burnsville 7
- Micaville 18 Clearmont 4

Bruce Griffith, the teams star pitcher, hit a home run in every game played. Tommy Robinson showed fine defensive ability in his first year as a regular.

The Micaville girls softball team came forward with remarkable improvement during the season. They won the last two games from Burnsville and Clearmont with scores of: Micaville 11 Burnsville 3; Micaville 15 Clearmont 11. Martha Huffman was the outstanding defensive player of the team. Norma Hall was the leading hitter, with two home runs to her credit.

UNION COUNTY FARMER HAS HIGH CORN YIELD

A 77 year old Union County farmer, J. R. Simpson, Waxhaw, Route 2, is now leading the North Carolina 1948 corn production contest in which an assortment of regional and State prizes will be given.

Mr. Simpson took the lead with a yield of 9,981 pounds almost five tons—of corn on one acre planted to Dixie 17 hybrid. On the basis of 56 pounds per bushel and a moisture content of 15.5 per cent, this is a yield of 136.24 bushels for the one acre.

Mr. Simpson's yield exceeded that of last year's State champion, John Mullinax of Henderson County, by 4.74 bushels. The 1948 contest, however, will not

be completed until several more fields have been checked.

Beside the 136-bushel acre, another acre blanted to an open-pollinated variety produced only 101.27 bushels.

Total cost of Mr. Simpson's corn seed, labor, and fertilizer on the official contest acre was \$75.50. He applied fertilization as follows: 26, 11 wagonloads of stable manure broadcast; April 29, 900 pounds 4-10-6 fertilizer; May 8 (planting time), 200 pounds 4-10-6; June 3, 300 pounds Cal-Nitro and 100 pounds potash; June 19, 300 pounds Cal-Nitro; July 6, 400 pounds Chilean soda; July 27, 200 pounds sola and 42 pounds potash; August 7, 200 pounds soda and 100 pounds potash.
