ATTENTION-TEACHERS:

Would you like to draw a nice salary the rest of your life in case you should become disabled either by illness or accident? I am now able to offer you, at low cost, a policy which will pay you, not just a few months only, but the rest of your life if you become disabled. There are many extra features in this policy: It pays double while in a Hospital; it pays a large sum in case of death by accident; it pays an equally large sum in case of loss of eyes, hands or feet. This policy is issued by a company with an excellent rating by all the rating Bureaus. You will have access to local assistance with all claims. This policy is designed especially for teachers. Be sure to investigate this policy with your local agent before you purchase this type of insurance. All types of insurance are carried: Life, Health and Accident, Hospitalization and many special policies.
