News From Cattail Creek Community

Summer activities of the Cattail Creek Community are now under way with the return of many of the families in the group.

There are approximately forty families in the community, most of them from south Florida. The men organized the Cattail Creek Home Owners' Association several years ago and it is a very active organization. Bob Hamond is president.

Mrs. Ira West is president of the ladies' group, the Good Neighbor Club, which directs the social activities, and Shirley Shepherd is leader of the Girls Club.

Recreational and social activities center around the Community Hall which has been completely rebuilt and redecorated under the direction of Mr. West.

The opening event, a dance and cake walk, will be held Friday evening, June 30.

People of the community other than the Cattail Creek group, are cordially invited also as one of the purposes of the recreational program is to meet the "neighbors".

Bessie Kilmer of Erwin and Anne Walsh of East Liverpool, Ohio are guests of Sue Koenig.

Mrs. J. B. Hensley and granddaughter Frances Fortner of Asheville are guests of Mr. and Mrs. G. L. Hensley.
