CARD OF THANKS

We wish to thank our many friends and neighbors for the kindness they showed to us during the sickness and death of our husband and father.

The Family of L. B. Brinkley.

Engagement Announced

Mr. and Mrs. D. M. Edge of Newdale, N. C. announce the engagement of their daughter, Miss Nell Edge, to LeRoy Hunter, son of Mr. and Mrs. J. C. Hunter of Burnsville, Rt. 1.

The wedding will take place on May 12, at the Newdale Presbyterian Church.

Mr. and Mrs. B. B. Penland of Bolens Creek have moved into their new home there. The house is constructed of brick and is very modern in every respect.

Grapefruit Halves Good Tonics

Tangy Florida grapefruit halves, served to fit the occasion, will prove a perfect addition to late winter meals, particularly since they pack a punch of Vitamin-C goodness, so important during these months in warding off colds. Use green or red jelly cut in interesting shapes—a heart for February birthdays; a shamrock for St. Patrick's Day, with huckleberry leaves around the edge of the grapefruit half; your favorite preserves; shredded coconut and tangerine sections for an ambrosia-like first course; or flaked seafood and sliced olives for an appetizer. Grapefruit is a particularly good food during February, when special shipments are being made to all parts of the country.

More About—

Wake Forest Students (Continued from page 1) member of Alpha Kappa Psi Business Fraternity. Serving his first term as President of Wake Forest College is Dr. Harold W. Tribble, who recently characterized the Reynolds gift to Wake Forest as "the most significant adventure in Christian education in America launched within our decade."

An accelerated program in which students may graduate within three years after beginning their work is now being offered at Wake Forest. Thus high school graduates entering summer school, which opens on June 11, could receive their diplomas in June, 1954, provided they complete the required number of credit hours in the three summer and regular sessions.

The War Department recently announced the establishment of an ROTC unit at Wake Forest which will be activated in September. Although primarily a chemical unit, the ROTC unit will be comprehensive in providing training in military science for all the students who qualify. This places Wake Forest squarely in line with the war defense program. On the basis of the ROTC unit the college will be able to proceed with its normal program and at the same time render a significant service to the nation in this period of crisis.

HEALTH DEPARTMENT NEWS

Following is the schedule of pre-school clinics to be held in this county by the District Health Department. Parents of children who will enter the first grade this year are reminded that the school authorities will require a written certificate of immunization before the child can be enrolled. The immunization needed will be given at the pre-school clinics. A copy of the birth certificate will also be required at the clinic.
