Owens To Attend Christmas Merchandise Showing

Lloyd Owens, Western Auto Associate store owner in Burnsville, is getting his first Christmas preview today of the nation's newest ideas in toys, sporting goods, and other fall and winter merchandise. He is attending a Western Auto Supply Company merchandise show at Greensboro N. C.

It is from this preview of more than 900 Christmas-selling items that Mr. Owens said he would make his selections to fit the particular needs and desires of this trade area. Besides toys and sporting goods, the show is featuring wheel goods, bicycles, guns and gift merchandise.

Mr. Owens said that more than 500 carefully-selected toy and wheel goods items alone will be displayed at the show. Among them will be new rocket planes, space cadet guns, loop-the-loops, and circus, radio, and farm sets. For little girls the Gibson Girl doll will be featured—as well as a complete line of new-process plastic-head dolls, outstanding for realism. Tallulah the Talking Lamb is the new "star" in the pull-toy line.

New wheel goods numbers include a new toy auto, the Kidillac; a light-weight English-model bicycle for boys and girls; and many others.

Careful attention also was devoted by Western Auto to assembling diversified makes and models of nationally-known rifles and shotguns for the hunter and target shooter—as well as a galaxy of other Christmas merchandise, including electric roasting ovens, electric blankets, silverware, steak knives and carving sets, baseball and other sporting equipment, and photographic supplies.

Mr. Owens who has been a Western Auto Associate Store owner in Burnsville for 4 years, is one of 210 dealers in 4 states who will attend the show at Greensboro, N. C. There are 2,650 Western Auto Associate Store owners in 35 states supplied merchandise by 16 Western Auto Wholesale Houses.

Rummage Sale Postponed

An announcement was made in last week's Record that the Order of the Eastern Star was planning a Rummage and Bake Sale next Saturday, June 7. The Worthy Matron of the Order said this week that the sale has been postponed indefinitely. Announcement will be made later if the sale is scheduled.

FRUIT AND BERRY stains can usually be removed if you get them immediately. Soap on washable materials will set the stain, so sponge with cool water. Chlorine bleach may be used, followed by rinsing well or pouring water from a height of 3 or 4 feet. On fine or colored fabrics with berry or fruit stains, use glycerine or soapless shampoo, rubbing lightly. Let stand for a few hours, then apply a few drops of vinegar for a minute or two. Rinse well.

RECIPE OF THE WEEK

Rhubarb-Strawberry Roll (Serves 8)

2 cups diced rhubarb
1 cup sliced strawberries
1/4 cup sugar
1 cup water
1/4 cup sugar
2 cup sifted flour
1/2 teaspoon salt
4 teaspoons baking powder
1/4 cup shortening
1/2 cup milk
1 egg, beaten

Sweeten rhubarb and strawberries with the 1/4 cup sugar. Place water and 1/4 cup sugar in a pan 7x11 inches. Cook 5 minutes. Sift together flour, salt and baking powder. Cut in shortening. Add milk and egg stirring only until well blended. Roll on floured board to 1/4-inch thickness. Spread with fruits. Roll. Cut in 1-inch slices; place in hot syrup. Bake for 25 minutes in a hot (450°F.) oven. Serve warm with cream.

Non-washable fabrics with fruit and berry stains may be sponged carefully with cool water. Follow this with a sponging with 10 percent acetic acid solution.

Egg stains are fairly common, but their treatment is simple. Scrape away as much of the egg as possible with a dull knife, then sponge with cold water. If stain still remains sprinkle with pepsin powder. Work in and let stand for half an hour. Rinse thoroughly. Use the same treatment on all fabrics.

Rust is a common stain and often causes much distress. For cottons repeated treatments of boiling water poured on the material stretched over a pan, followed by lemon juice on the stain, rinsing and then keeping in the sun to dry will yield results.

Miss Hensley Gets Degree In Christian Education

Raleigh—Mary Evelyn Hensley of Burnsville received her bachelor of arts degree from Meredith College in the final commencement exercises on Monday morning, June 2, in the college auditorium, as a member of the graduating class of 95 seniors.

Miss Hensley received her degree in the field of education from President Carlyle Campbell in the Monday event, with anthropologist Margaret Mead as the featured speaker. Using the topic "Youth Must Ask the Questions" Dr. Mead told her audience that "Whether any period will be an evolutionary or revolutionary one depends, in part, on whether young people can learn to ask new questions and to ask them clearly and directly enough."

The daughter of Mr. and Mrs. W. B. Hensley of Burnsville, Miss Hensley received with her degree a state teachers' certificate, having completed her student teaching during the year in the Raleigh city schools.

On the campus she has been a counsellor, secretary of the senior class, and a vice-president of Vann Dormitory. She has also been a member of the Education Club, the Chorus the Student League of Women Voters, and the Phi Society.
