### LARGE CROWD AT FIRST SQUARE DANCE

More than 100 persons attended the first square dance of the season at the Burnsville gymnasium last Saturday night. Mrs. Ira West, director of the summer recreational affairs here, was pleased that both adults and young people were present and taking part in the dancing. One entire family of five was lined in the dance at one time, she said. The director hopes that the weekly square dances will develop into a community meeting place for entire families on Saturday evenings. Henry Clay Edwards of Mars Hill will continue to call the dances during the season. Mrs. West said today that reformation concerning tourist facilities were pouring in each day.

Mr. and Mrs. Monroe McIntosh, James McIntosh and Anastasia Tomberlin attended commencement exercises in Leaksville, N. C. during the past week end. They also visited Mrs. J. H. Parker, in Roxboro, N. C., who is seriously ill.
