Editorial Comment

May 15 is the deadline for communities to enter the Western North Carolina Rural Community Development Contest. There is still .time-but not much time_for unorganized communities to get themselves organized and register for the contest.

PAGE TWO

What if your community's chances for winning one of the cash prizes are slim? This is a contest where everyone wins. Each year many communities who do not appear in the list of prize-winners have made im- powerful glad to read in the provements in the course of the contest that have more material value than the first prize-to say nothing of the intangible values of heightened community hit's spring just the same. spirit.

But couldn't a community acit is to have definite goals toder to take part. It is more like side. Fer instance: giving them a map and compass they desire.

If your community has not yet caught the fever of enthuscontagious!

Q--A friend of mine, paralyzed during Korean military service, is eligible for a "wheelchair housing" grant from Veterans Adminintration. If he gets this grant, will he also be entitled to a GI home loan to finance the remainder of the cost?

A-Yes. His "wheelchair housing" grant will not deprive him of his right to apply for a 61 loan to finance as much of the remainder of the cost as can be financed in that manner.

Q-Have all states ratified the bill of Rights? A-Yes. But three states, Connecticut, Georgia and Massachusetts

did not ratify until 150 years later. in 1937.

Q-What was the origin of the Donkey and the Elephant as symbols of the Democratic and Republican parties?

A-Both were taken from cartoons in Harpers magazine by Thomas Nash. The Donkey was first used by Nash in a cartoon under date. of January 15, 1870. The Elephant came in a cartoon about four years later.

Q--Can you tell me the difference between a "majority" and a "plurality" in an election?"

A majority is more than half the votes cast for all candida given office. A plurality is an excess of votes over the

e next highest opponent.

Shape into patties and fry in fat in hot skillet until golden brown. Serve immediately.

whenever possible. Let them air after taking off, store with shoe trees to keep them in shape, and olish and buff frequently.

Daily brushing is good for hats Brush the brim and crown counter clockwise, following the nap. Turn brim up all the way around and take the crease out of the crown. This keeps the crown in shape.

Washcloths will last longer if you turn back the edges and stitch on the sewing machine while they're still new. No fraying!

Whisk brooms which you use on clothing can be stiffened by dipping up and down in hot water to which baking soda has been added. Shake out excess moisture and dry thoroughly before using. To press woolens most easily with

a steam iron and still prevent shine, fit the iron with a "shoe" of muslin material and thus do away with a pressing cloth.
