The average housewife spends one third to one half of her working day in the purchase, preparation and care of food and related

The four leading U.S. exports are industrial machinery, automobiles, grain and cotton.

hat some of the bean leaves have been eaten so that they resemble a piece of lace, it is time to get busy. The best control in the home garden is a 1% rotenone dust. Since the beetle feeds on the undersides of the bean leaves the dust must be applied to the leaves to be effective. Rotenone s not toxic to humans and therefore may be used without danger ven after bean pods have formed, the cake squares.

DRETTY salad for a lovely day uses halved grapes, canned cling peach slices and cubes of cream cheese in lime-flavored gelatin. If you like a bit of tang, add some fresh lemon juice and grated rind to the salad.

Why not add some chopped raisins to your next batch of

> Recipe of the Week Rhubarb Marmalade (Makes 4 pints)

pounds rhubarb 5 pounds sugar 1 pound seeded raisins Rind of 1 lemon, shredded Juice of 2 oranges

1/2 teaspoon cloves 1 teaspoon cinnamon Wash rhubarb and cut into 1-inch pieces. Cover with sugar and let stand overnight. Add remaining ingredients. Heat to boiling point. Reduce heat and simmer gently about 40 minutes or until thick, stirring fre-

tioners' sugar after the doughnuts are fried and serve with a dish of applesauce.

quently to prevent burning.

Pour into sterilized glasses,

cool and seal.

Mix equal parts of chopped steamed prunes and diced apple together with a little brown sugar and cinnamon. Use this spread over a center slice of ham, then roll jelly-roll fashion. Fasten with skewers, place on a rack and bake in a slow oven for an hour.

Blend together equal parts of honey and lemon juice for a light but tangy and appetizing dressing for fruit salads.

Try this tasty fruit topping for spice cake: Drain 2 cups canned fruit cocktail and mix with 14 cup sugar, 1 teaspoon lemon juice and a speck of salt. Whip 1 cup dairysoured cream and fold in the fruit mixture. Chill and serve over

AIR SCHOOL PLAN . . . Architect's sketch shows layout for U. S. airforce academy north of Colorado Springs, Colo., including chapel, administration building, social center, school, and dining hall.

You can do such wonderful things with colors!

PER KEM-TONE

the deluxe latex-base washable wall paint

More than a hundred decorator-approved colors, arranged by experts in an almost unlimited number of harmonies wonderful ideas for your home. And so easy with SUPER KEM-TONE!

- Flows on smoothly with brush or ROLLER-KOATER
- Dries in an hour to a velvet-rich finish
- · It's the latex-base paint you hear so much about
- Rubber-tough . . . after 30 days completely washable
- So easy to use, so fast to dry you get a "new room" in a day A gallon is usually enough for walls in the average room
- And for woodwork . . . matching colors in KEM-GLO
