A demonstration of the best known methods of hair and scalp treatments to be given to the citizens of our city.

HAIR AND SCALP AUTHORITY HERE TO TELL TRUTH ABOUT BALDNESS

A personal demonstration will be held from 12 noon until 9:00 p. m. on Sunday only, August 28, 1955, in the Skyline Hotel in Spruce Pine, North Carolina by the Merrill Hair and Scalp Consultants of Wichita Falls, Texas.

The Merrill Consultant is being sent here for the express purpose of explaining to the people of our city, the facts and the truth about hair and scalp disorders. He will explain the 18 common scalp disorders that cause most men and women to lose their hair. He will demonstrate the proper methods of hair and scalp hygiene that have been proven successful for thousands of Americans from coast to coast. The Merrill Hair and Scalp Consultants will give you FREE, a complete hair and scalp examination and tell you why you are losing your hair, or why you are having trouble with your scalp.

Hopeless Cases Are Few
First, the Merrill Consultant is quick to tell the hopeless cases that they cannot be helped. Once a man is completely, shiny bald, nothing can be done. But the hopeless cases are few. Because, if the hair roots are still alive, (evidenced by the presence of light, colorless fuzz,) the Merrill Consultant can perform what sometimes seem to be wonders. In the private examination, these facts will come to light.

No Charge For Examination
The examination is very thorough and highly technical. It requires a full 20 to 30 minutes. And, there is no charge for this examination. After the examination, you will be told the required length of treatment and how much it will cost. After starting the treatment, you will make regular reports to the Merrill Laboratory in Wichita Falls, Texas. An expert will check your progress regularly, and keep in touch with you throughout your course of treatment. As you will be shown at your interview, Merrill offers you a written guarantee of satisfaction.

The Merrill Consultant will occupy a suite in the Skyline Hotel in Spruce Pine, N. C. on Sunday, August 28, from 12 noon until 9:00 p. m. Ask at the desk for the Merrill Consultant and see what can be done for your troublesome hair and scalp condition.

NO APPOINTMENT NECESSARY

You need not have an appointment to take advantage of this clinic. All examinations are private and you will not be

New Hair Is Permanent
"If every man and woman will follow our directions faithfully during treatment and after finishing treatment, there is no reason why they will not have hair all the rest of their lives," says this authority. "We know our treatments will work from our thousands of testimonials. It all depends on the individual person's faithful observance of a few simple rules."

Guarantee Pledges Result
Merrill Hair and Scalp Consultants GUARANTEE, in a written certificate given to each new client, that if you are not responding satisfactorily to treatment at the end of 30 days, that all money paid on treatments will be graciously refunded. "We do this to overcome skepticism," says the Merrill Consultant. "Most of our clients women, confident that they will regain their hair and remove all traces of imbedded dandruff and other malicious hair and scalp ailments that prevent natural growth. This guarantee is for those who want to be assured that they will get their money's worth, and that is exactly what we intend to give them!"

A Truthful Note
Thousands of men and women have been helped by the Merrill methods. Because of their tremendous success in this field, it should be said here that there are some who cannot benefit from these treatments. Any person who is slick, shiny bald, is destined to remain so. If there is any sign of fuzz, no matter how short or colorless there is a definite chance that hair may be re-grown in time. "We have no cure-all," says our expert. "But if you take care of your hair, we can help you have healthy, normal, lasting hair that you will be proud of all your life."
