CAN YOU QUALIFY? \$200 PER WEEK
We are not kidding about the above earnings, nor do we want you to take our word for it. You are more than welcome to talk with our salesmen who are making this amount of money right now. Go out with them for a day and watch while they put commissions of \$50 or more in their own pockets. If this doesn't convince you, nothing will. I will hire three salesmen this week. These men will have the following qualifications:

- (1) Ability and willingness to work hard.
- (2) Preferably between the ages of 21 and 45.
- (3) Own a late model car.
- (4) Willingness to learn.

Those selected will be trained thoroughly in the basic fundamentals of salesmanship. Qualified prospects are furnished daily. Accumulative bonus is paid semi-annually. In many instances the annual income from bonus checks alone is as much as the average man earns during the course of a year.

If you are dissatisfied with your present income or position, this legitimate top-flight proposition merits your sincere consideration. Personal interviews only. If our offer is not worth a personal visit and a half-hour of your time, you are not the man we want. If it is, this may well be one of the important decisions of your life.

FOR APPOINTMENT: Write Billy E. Bryant, Box 5273, Biltmore, N. C., giving these details: Age, occupation, make and year of car.
