70 acres very fine land, lays almost level, has two good houses, three barns, one acre tobacco base, I think I can show a man how he can clear \$5000. on this farm every year with one acre tobacco and 25 Dairy cows. This farm is well located and has plenty water, good fences, and ready to go, priced at \$30,000, and worth it, it will carry a good loan on it if wanted.

50 acres good land, good buildings, 15 acres alfalfa, good fences, watered by good well with electric pump, and a pond, this would make a good dairy farm, priced at \$16500. can get some terms on it.

50 acre fine River farm, good brick house and a large barn, fine well at the house, it has 1.2 tobacco base and it makes very fine tobacco, this farm is as level as you would want and real good rich land, lays on State Highway. Priced at \$25000. can arrange terms on part.

24 acre farm with good buildings, 6 tobacco base, this is a nice little farm, the owner needs more land, \$7500. the buildings would show to build wood cost more than he asks for it all.

60 acre farm, the buildings are run down, but the land lays good and on good road, some timber, on account of the buildings I can sell this farm for \$8000.

80 acres of very fine land near town, lights and water available, all in grass or small grain, all goes with it, if sold in 30 days at \$11000. We have two good houses in Johnson City for sale and two or three houses in Jonesboro, and a few vacant lots, it is getting late to buy a farm and get possession this Spring, come quick, if you are interested in buying.

Farm Housing Loan Program Expanded

An expanded farm housing loan program designed to speed up farm building construction and improvement as well as act as an additional anti-recession measure was announced today by Mack B. Ray, Farmers Home Administration county supervisor.

Now an owner of a farm in agricultural production and on which the operator plans to produce at least \$400 worth of farm commodities for sale or home use may qualify for the 4 percent long-term housing loan provided that he meets other standard eligibility requirements.

Formerly, an eligible applicant had to own a farm that produced a more substantial part of the operator's annual cash income.

Borrowers may use loan funds to build, improve, or repair farm houses or other essential farm buildings, and to provide water for farmstead and household use. Mr. Ray said that in addition to financing major construction, the loan funds can help meet many other needs for farm and farm-home modernization such as adding bathrooms, utility rooms, better kitchens, and many other improvements to the home as well as to farm service buildings. While tenants and farm laborers are not eligible, the owner may borrow to do construction work or make improvements for them.

The loans are made to farm owners who need credit to finance building improvements or repairs, but find that adequate credit to finance is not available through banks or other regular credit channels. The interest rate is 4 percent and loans may be authorized over periods up to 33 years. Application for this type loan are now being taken at the local FHA office in Burnsville.

BEAUTITUDES FOR FRIENDS OF THE CRIPPLED CHILDREN

By Vivian Moffett

Blessed are you who take time to listen to Cerebral Palsied Speech; for you help to know that if we preserve we can be understood.

Blessed are you who talk with us in public places and ignore the stares of strangers; for in your companionship we find havens of relaxation.

Blessed are you who never bid us "Hurry up"; and more blessed you who do not snatch our tasks from our hands to do them for us; for often we need time rather than help.

Blessed are you who stand beside us as we enter new and untried ventures; for our failures will be outweighed by the times we surprise ourselves and you.

Blessed are you who ask our help for our greatest need is to be needed.

Blessed are you, when by all these things, you show us that the thing that makes us individuals is not in our peculiar muscles systems, but in the God-giving self which no infirmity can confine.

Rejoice, and be exceedingly glad, and know that you give us reassurances that could never be spoken in words; for you deal with us as Christ dealt with the slow and the peculiar.

Walter Howell, Greer Mtn., is chairman of Easter Seal Sale in Yancey County. The sale will be conducted throughout the month of April.
