## ASC Committee Election Conducted By Mail

This year's ASC Community Committee elections are being conducted by mail so as to make it more convenient for every voter to cast his ballot and in order to increase farmers participation in committee elections. Ballots containing the names of at least 10 nominees for each of the ASC Communities were mailed to each eligible voter on record on Friday, August 31. Two envelopes will be enclosed with each ballot for the voters use in returning his ballot by mail. The envelope addressed to this office will also have the farmers name and address on the back and requires no postage on the voters part. The voted ballot should be folded and put in the plain (blank) white envelope and sealed. Then the envelope with the ballot should be put in the envelope addressed to this office and mailed. This will permit each voter to cast a secret ballot by mail—as all the plain envelopes containing the sealed ballots will lose their identity when removed from the first envelope and placed with the other blank envelopes containing the ballots.

Voters may vote for as many as, but not more than, FIVE of the nominees on their ballot. If they so desire, they may "write in" the names of other farmers on their ballot and vote for them, however, no voter can vote for more than a total of five persons, nor will they be permitted to cast more than one ballot. Each voter must use the envelope on which his or her name appears on the back in voting, so that voter eligibility may be determined. Ballots must be returned or post-marked not later than September 10 to be valid. The County Committee will meet and tabulate the ballots on September 12. This tabulation will be open to the public who care to attend. The farmer receiving the highest number of votes for his community will be the community committee chairman and also the delegate to the Convention on September 24—where a County Committee will be elected.

The farmer receiving the second, third, fourth, and fifth highest number of votes will be the vice-chairman, regular member and first and second alternate member of their respective community committees. The vice-chairman and regular member will be the first and second alternate delegates to the County Convention.

We urge each person receiving our Newsletter at the County level to remind every farmer they contact between now and September 10 to vote.

Any voter who did not receive a ballot should come by the ASCS office and pick up one.

## Charles Brown Named Chairman of Brown Campaign Here

The "Brown for Congress" Headquarters moved from the George Vanderbilt Hotel to 67 Haywood Street over the Labor Day weekend. The new headquarters is over the old Hursey Jewelry Store, soon to become the new home of the Asheville Book Store.

Robert Brown, Republican candidate for Congress from the 11th District, said the move was being made because of need for more space.

"We are having to use more and more volunteer workers as the enthusiasm and the tempo of the campaign increases, and we just had to have more space," he said. The Brown Headquarters is located at 67 Haywood as of 9:00 a. m. Tuesday (September 4).

Charles L. Brown was named chairman of the Robert Brown for Congress Campaign in Yancey County.

Announcement of his appointment was made jointly by Garrett (Dick Bailey) Yancey and 11th Congressional District GOP chairman, and Robert Brown of Asheville, Republican candidate for Congress from the 11th District.

"I am most grateful that Mr. (Charles) Brown has accepted the campaign chairmanship," said Candidate Brown.

"He has been a successful candidate himself, as well as an able public servant, and I am sure will be most effective in leading the way to victory November 6 in Yancey County."

Charles Brown is a native of Yancey, born in the Phipps Creek section. He attended public schools there and Stanley-McCormick School in Burnsville, then entered the University of North Carolina. After one term he left to enter the U. S. Army in World War I, serving from 1917 to 1919.

He taught school in the county, served as postmaster at Burnsville, was in the mercantile business for a number of years before becoming a dairyman.

Charles Brown has served two terms as chairman of the board of county commissioners, and was a member of the State Senate from the 30th District, serving in the General Assembly session of 1943.

traught and disconcerted but with an open mind, he looked long and hard into forty-five anxious new faces to come up with a replacement for 190 pound. All W. N. C. Scholastic, Sammy Riddle—since departed to U. N. C. It isn't likely that he will find such a dynamo, and productive runner as Riddle, but he is impressed with what he has seen and remarked, "Working with these boys is an experience within itself. I've never seen such drive—such desire. Boys who work this hard will sooner or later come through. This is going to be the most enjoyable and interesting season that I've ever had."

Faced with the despairing problem of replacing nine starters, Neill is counting heavily on stalwart performances from senior co-captains Ronnie Ray and John Robertson. Ray, a three-time All Pisgah Conference guard, is being shifted to tackle, and John Honeycutt, a 165 pound sophomore, will move to a starting guard position. Returning at quarterback, Robertson has proved his ability in handling the team. Three of the brightest prospects in the "Rebel Rebuilding Program" are returning lettermen Ronnie Proffitt, Morris Thomas, and Walter Edwards. Proffitt has proved himself particularly adept in pass receiving and is a key man in the Rebel aerial attack. Thomas, a bruising tackle, will be expected to do the punting, and Edwards, who saw considerable action last season, gives speed and power to the ground attack.

Determined and high spirited, he may provide the spark that is needed to make his team a winner. Blessed with depth at end, Neill can choose from J. B. McIntosh, Mike Evans, or Bennie Honeycutt, a 170 pound transfer from Pennsylvania. Brothers Charles and Gordon Hensley are expected to displace Ralph Adams and Gene Perkins at center and left guard respectively, and Steve Pate, a 190 pound freshman, and Tom Wilson, are slated to see plenty of action. Tony Miller has shown class at left half, and brother Clifton is struggling with Mike Banks to win the fullback slot. Steve Proffitt will understudy quarterback Robertson and Lee Roy Penland will back up Miller at left half.

Cane River will field a young but hard working team loaded with desire and hungry to win. All in all, it should be an interesting season.

## V. A. News

J. D. DeRamus, Manager of the North Carolina Veterans Administration Regional Office, said today peacetime veterans who have a service-connected but non-compensable (less than 10 percent) disability will have the same priority for entering VA Hospitals as service-connected disabled peacetime veterans.

The only peacetime veterans previously eligible to VA hospitalization were those whose service-connected disabilities were 10 percent or greater, Mr. DeRamus explained.

The new law, signed by the President August 14, applies to the relatively few peacetime veterans whose service-connected disabilities are not rated high enough to receive compensation.
