Speaker: Dr. Forrest Feezor, Interim Pastor, First Baptist Church, Asheville, N. C.

TWO MINUTES

WITH THE BIBLE

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO 35, ILLINOIS

TWO BABIES

Sometime ago, in Chicago, one mother had her baby kidnapped right out of her arms in a hospital room, while another left her baby in a cardboard box on top of a garbage can.

We have the feeling that in all probability the woman who abandoned her baby—and it probably was a woman—was just as much beside herself as the one who had her baby stolen from her arms.

A Registered Nurse told us some time ago that the proportion of mothers who do not want their babies is becoming truly alarming. We do not believe that these women wouldn't want their babies under normal circumstances—why, everybody loves a baby; but in such cases sin has come in to bring trouble and shame and misery. Some of these mothers are unwed and have been disgraced; others are separated or divorced from their husbands or would have to bring their babies

home to nothing but bickering and trouble. Still others have passed on diseases to their babies and wish they had never been born.

This is how sin wrecks lives and homes, but it is wonderful to know that "Christ Jesus came into the world to SAVE sinners," as we read in I Tim. 1:15. How does He save sinners? Well, first He bore the divine penalty of sin for us: "Christ died for our sins" (I Cor. 15:3). But He will save us from sin's control too, if we let Him. Rom. 6:14 says to believers in Christ: "For sin shall not have dominion over you, for ye are not under law but under grace," and millions have proved this to be true.

Salvation is more than a religious term, or a feeling or sentiment, it is actual deliverance from the penalty and yower of sin, through the redemptive work of Christ on Calvary, where He "put away sin by sacrifice of Himself" for everyone who simply, but sincerely trusts Him as Savior.

Snavely-Belgarde Vows Spoken Saturday, June 27

Rings and vows were exchanged by Miss Janis Annette Snavely and Rev. Edward Vandyke (Van) Belgarde at 7:30 p. m. Saturday, June 27 at Calvary Baptist Church in Findlay, Ohio. Rev. Richard Snavely, brother of the bride, officiated. White tapers in branched candelabra and baskets of white gladioli and green majestic daisies formed an arbor for the service. Music was presented by Joseph Spittler, soloist, and Miss Mary Barnes, organist.

The bride is a daughter of Mr. and Mrs. Ronald L. Snavely of McComb, Ohio. Rev. Belgarde is a son of Mr. and Mrs. Archie T. Ford of 6102 McGregor Blvd. in Fort Myers, Fla.

Given in marriage by her father, the bride wore a floor length gown of Chantilly lace over taffeta designed with a basque bodice and tiered bouffant skirt ending in a chapel train. Aurora crystals and pearls trimmed the Sabrina neckline and

skirt. The dress featured long scalloped sleeves and hand-made silk organza roses at the back waistline.

Her elbow length veil of imported silk illusion was attached to a pillbox trimmed with tear drop pearls, a hand made silk organza rose and matching leaves. She carried a white orchid surrounded with white sweetheart roses and satin ribbon.

The bride's sister, Mrs. Ray DeWeese of McComb was matron of honor. Bridesmaids were Miss Linda Belgarde of Fort Myers, sister of the bridegroom, and Miss Linda Hilty of McComb. They were attired in identical Nile green silk organza over delustered satin street length dresses fashioned with bell shaped skirts, bateau necklines and spiral self fabric roses at the back waistline.

Their circular veils fell from spiral organza roses and leaves on an organza circle and they car-

ried crescent bouquets of white and green mint tinted carnations and white Marguerite daisies. Cindy Ann De Weese was flower girl.

Best man was Mr. DeWeese. Duane Smith of Van Buren, Ohio, Norman Smith and Phillip Powell of Findlay, Ohio, and Robert Zeller of McComb were ushers. Stephen Lee Snavely was ring bearer.

A green and white color theme was carried out at a reception given by Mr. and Mrs. Snavely at the Central Junior High School in Findlay.

For a honeymoon at Lake Erie, M. E. Belgarde donned a pink suit and white accessories. Rev. Belgarde will do children's work in the Christian Field in the South Eastern United States. Prior to her marriage, Mrs. Belgarde was bookkeeper and staff member of the Open Door Children's Home in Hazard, Ky. He was ordained to the ministry on June 8 in Fort Myers.

Fort Myers guests attending were Mr. and Mrs. Ford, Mrs. Cozzie Ford and Miss Linda Belgarde.

Mr. and Mrs. Frank Briggs of Wagener, S. C. and Mrs. L. E. Briggs of Burnsville, grandmother of the bridegroom, also attended the wedding.

Unfortunately, a number of older people continue to think that they cannot collect any social security benefits at all if their earnings are over \$1200 for the year. This is not true.

Let us take an example that will illustrate how much an older worker may earn and still collect some benefits:

Mr. and Mrs. Smith, who are both over 65, could upon application become entitled to a combined benefit of \$150 monthly, based on Mr. Smith's average earnings under social security.

Mr. Smith could have earnings of \$2500 in 1964 and the couple would have at least \$750 in benefits coming to them for the year. If his earnings were \$3000, the couple would get at least \$250 of their social security benefits. Even if he earned as much as \$3200, they would be able to collect \$50 in benefits this year.

Working people 65 or over who have never inquired about possible social security benefits should visit the district office in Asheville, or see the social security representative and find out just where they stand.

● FLYING HIGH—Detroit, Mich.—Eric Olsen's broad grin from his lofty helicopter perch symbolizes the over-the-top mark in General Motors Corp.'s 1964 Operation Security Savings Bond drive which saw 77,000 new names added to GM's Payroll Savings Plan. Nationwide, more than 387,000—nearly 75 percent—of the company's employees now are buying Savings Bonds through payroll deductions, setting a new peacetime record.

Young Eric spotted the Navy "Sea Bat" submarine hunter-killer helicopter and promptly climbed aboard after it had been flown in for the bond drive at the Detroit Diesel-Engine Division where his dad, Bob Olsen, superintendent of manufacturing, buys bonds for both himself and Eric.

In the company-wide campaign, conducted in 144 plants and offices across the United States, 107 units attained or exceeded their Savings Bond goals. Sixteen units, including six in the Chevrolet Division, exceeded 90 per cent in the sign-up of employees in the Payroll Savings Plan. The Buick Motors Division added 5,469 new bond buyers, while the

Gran Blanc unit of the Fisher Body Division topped 98 per cent in the bond sign-up campaign.

Spearheading the drive was GM President John F. Gordon, appointed by Treasury Secretary Dillon as chairman for the automotive industry on the U. S. Industrial Payroll Savings Committee. This committee, headed by Frank R. Milliken, President of the Kennecott Copper Corp., consists of 28 of the nation's business and industrial leaders. It has assumed responsibility for organizing industry-wide campaigns to sign up an additional one million new Savings Bond buyers under the Payroll Savings Plan during 1964.
