**Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain**

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

District Department Chairmen, who recently attended Council Institute in Greensboro will present the Federation Program. The local club presidents will be instructed by the district president. Ample time will be given for questions and answers.

The First Vice President of the North Carolina Federation of Woman's Clubs, Inc., Miss Marjorie Yorkley, of Mt. Airy and the Director of Districts, Mrs. Julian Porter, of Severn will attend in advisory capacity.

Other district officers assisting in the meeting include Mrs. A. J. Garner III of Asheville, vice president; Mrs. D. T. Abercrombie of Brevard, secretary-treasurer; and Mrs. J. A. Humphrey of Asheville, director of Juniors in the district.
