UNICEF Party To Be Held Halloween Night

The annual UNICEF party will be held at Higgins Methodist Church on Halloween night. Children of all local churches will meet in the church Fellowship Hall at 6:30 p. m. They will be assigned to cars to go under adult supervision to homes in Burnsville to "Trick or Treat For UNICEF."

They will carry official UNICEF collection containers. Afterwards there will be games, a costume contest, and refreshments at the church.

Several points in regard to the UNICEF projects are to be stressed:

1. Residents are urged to contribute only to groups with the official UNICEF containers who will call between 6:30 and 7:15 p. m. It will be helpful if porch lights are on at every home.

2. In case of rain the party will still be held.

3. Children are urged to wear costumes and reminded that the homemade "original" ones are often the best.

Mrs. Tillie Brooks is arranging UNICEF parties in several of the country churches.

All children are invited to the party. If leaders of any churches not represented at the planning meeting would like their children to join in the effort they are cordially invited to do so. Please contact Mrs. Charles Gillespie or Mrs. Gladys Coletta in Burnsville.

UNICEF stands for United Nations Children's Fund. The money collected by local children on Halloween night will be used for such purposes as providing food, milk, vitamins, and medical care for children and mothers in needy countries.

damaged. Several pieces of log moving and lifting equipment was nearby and the only damage reported was on the lift. It was thought by the owner, William A. Banks, however, that the lifting equipment that was damaged could be repaired. A chipper which was used in chipping slabs from the mill had some damage but the extent of damage has not been determined yet. The mill machinery was set up in 1963 and was of the modern type of lumber manufacturing machinery which included band mill, re-saws, and other equipment necessary to the operation.

It has been estimated that the loss to the mill was above \$100,000.

Also destroyed were two trailers used in hauling chips. These trailers were owned by Sam Greene.

The Newdale Volunteer Fire Department, and the Burnsville Volunteer Fire Department were on the job immediately, but the fire was out of control. The Spruce Pine Fire Department was also there, and stood by in case they were needed. The origin of the fire has not been determined.

This is the second saw mill that has burned in the county this year. Penland Hardwood Lumber Co. lost their mill by fire this spring and they are building back and will soon have their mill in condition to start sawing.
