Number Twelve

FARM-CITY WEEK TO BE OBSERVED

National Farm-City Week will be observed in Yancey County with Community Awards Meeting Tuesday night, November 23, in the cafeteria of the Burnsville Mill of Mohasco Industries. This meeting will begin at 7:00 p. m.

The Agricultural Development Council sponsors the Community Development Program in Yancey County and other Western North Carolina counties.

Officials of the United Fund, Northwestern Bank and French Broad Electric will present cash prizes totaling \$600 to the communities that were judged in the recent county contest.

E. L. Dillingham, County Extension Chairman, said that this is the first year that the Community Awards Night and Farmers' Night have been held separately.

Emphasis in the Community Development Program is being extended to communities that have not previously been organized. This is part of the expanded program made possible by the addition of Assistant Extension Agent Kenneth Sanchagrin (Community Development Agent), and Mrs. Pat Anders, secretary.

CAP TO OBSERVE 24th ANNIVERSARY

The Burnsville Sqdn., of the Civil Air Patrol will join with more than 2,300 other CAP units throughout the United States to observe the 24th anniversary of Civil Air Patrol on December 1st.

National Commander, Col. Joe L. Mason, USAF, in a message to all units said 1965 has been a year of significant achievement in Civil Air Patrol and he urged CAP's members to "even greater achievements in 1966." Ellington Air Force Base in Houston, Texas is National Headquarters of CAP.

Here locally, Capt. Walter Tipton, CAP, announced that 1st Lt. Edgar H. Angel has been named chairman of the Burnsville Anniversary Planning Committee.

The Civil Air Patrol, an official civilian auxiliary of the United States Air Force, was founded in 1941 by a band of patriotic, air-minded individuals who volunteered their services and their aircraft to patrol America's coastlines and borders.

During World War II, CAP pilots flew more than 24 million miles on anti-submarine patrol and thousands more miles on courier missions for the Armed Forces.

The work begun by these pioneers is carried on today by CAP. This work includes, flying search and rescue mis-

UF READY TO FINISH 1965 RUN

With one quarter of its job accomplished, the United Fund is building up steam to finish the last three legs of its 1965 run.

Helton Carmichael, campaign director, reported Wednesday that well over two thousand dollars had been collected in Yancey County's annual fund-raising effort.

Two new names were included in the 'blue chip' list of firms and corporations with 100 percent participation in the campaign.

Added to the Honor Roll, which already included the pace-setting name of the Burnsville Mill of Mohasco Industries, are Deneen Mica Company and the Yancey County Welfare Department.

United Fund money goes to support eighteen different health, education, and service agencies, most of whom provided generous local benefits.

Eight hundred dollars, of the \$8,278.00 goal, are used to finance the county's valuable 4-H activities, and to provide incentive prizes for the county-wide Community Development program.

Two hundred and fifty dollars help run the Lions Club's vital operation for aid to the blind, and three hundred dollars are earmarked for the Health Department to be used in the work of the Orthopedic Clinic.

Boy Scouts and Girl Scouts receive one thousand, two hundred dollars for their character building programs, and the Yancey County Library uses four hundred dollars to run its community services, recognized nationally this past year with its award of the County Canfield Fisher citation.

The Red Cross, which supplies the Bloodmobile and Veterans' services to Yancey County, is the recipient of \$2,805.00, while Cerebral Palsy will get one hundred dollars.

Five hundred dollars are earmarked for Yancey Hospital for emergency use, five hundred dollars will go to the Dread Disease Fund, and two hundred dollars for Helping Hands.

sions throughout the nation, cooperating with Civil Defense agencies at all levels of city, county, state and federal government.

CAP cadets, boys and girls ranging from 13 to 18 years of age, participate in CAP's aerospace education program. CAP senior members operate some 4,442 light aircrafts, all but 864 are privately-owned craft.

Other members operate 14,900 stations in a radio network, while others operate and maintain a fleet of 4,500 surface vehicles of all types.

The flag ceremony by members of the Cadette Girl Scout Troop concluded the Burnsville School here Friday evening.

BLOODMOBILE VISIT FAILS TO MEET GOAL

Mr. E. L. Dillingham, Chm. of the Bloodmobile which visited Burnsville November 11, states that 68 pints were donated, with several persons being rejected for various reasons. Mr. Dillingham said that considering the fact that the visit was on a holiday (Veterans' Day) when several offices — such as Forest Service, Bank, Post Office, and probably others, were closed, the visit of the Bloodmobile was a success, although it did not reach its quota of 100 pints. He would like to express his sincere appreciation to the ladies of the First Baptist Church, the Gray Ladies, Pinafore Girls, doctors and nurse for their part in making this a smooth running operation.

CRAFT LESSONS TO CONTINUE AT SOUTH TOE SCHOOL

Due to lively and growing interest in use of native materials, craft lessons will continue at the South Toe School, according to Alice Hopson, County Home Economics Extension worker. Although the last lesson on Monday, Nov. 15 was to be the final session, the enthusiasm of instructor Mrs. Andrew Johnson and the "students" has resulted in extension of the course. Next meeting will be Monday, Nov. 29, 6-9 p. m. at the South Toe School.

Anyone interested is invited to come. There is no fee for learning; the only cost is for simple supplies. Most materials are free and available in woods and fields: FRESH pine cones of all shapes and sizes; Nuts and burs; seed pods; and lichens or wood roses. Those making wreaths may buy a pre-cut masonite circle at the class, and bring or buy wire at the meeting.

Scouts Present Song And Dance Program

A program of song, dance and a skit was effectively presented on Friday, Nov. 12, by the Brownies and Girl Scouts of Yancey County. The program was held in the Burnsville Elementary School Auditorium.

Mrs. Don Burhoe was coordinator for the evening, and announced the following numbers: Sailor Strut Routine, Brownie Troop 86; a skit, "Leave it to Little Beaver," by Junior Girl Scout Troop 88; Western Folk Dance, by Cadette Troop 65; and Hungarian and Russian Folk Dances by the Celso Girl Scout Troop 19.

Mrs. Jack Edwards, District Adviser from the Pisgah Girl Scout Council, As-

heville, N. C., was present and introduced Miss Beryl Tessler, a Senior Girl Scout from Asheville. Miss Tessler showed slides and spoke on the Girl Scout Round-up which she attended in Vermont in 1962.

A flag ceremony concluded the program for the evening.

Leaders of Brownie Troop 86 are: Mrs. Jack Edge, Mrs. Dick McIntosh, and Mrs. Billie Ray Edge.

Leaders of Junior Girl Scout Troop 88 are: Mrs. Ben Barks, and Mrs. Helton Carmichael.

Leaders of Cadette Troop 65 are: Mrs. Julian Cornwell, Miss Mary Wallace, and Miss June Ramsey.

Leaders of Celso Junior Girl Scout Troop 19 are: Mrs. Kore McWhirter and Mrs. Vivian Autrey.

The Garden Club will meet on Friday, Dec. 3rd, at 8:00 p. m. at the home of Mrs. Fred Proffitt. Mrs. D. R. Fouts will be program leader.

BURNSVILLE SCHOOL TO PRESENT ANNUAL FALL PROGRAM

The Burnsville Elementary School will present their annual Harvest Festival at the Elementary School on Friday, November 19 at 7:30 p. m. The program will be held in the school auditorium.

The program this year will follow a central theme "Music In American History." The student body will present a program of patriotic songs, dances and skits. The numbers will be representative of the various periods of American History.

Concessions will be sold after the program and there will be cake walks as well as drawings for door prizes.
