

**THIS IS THE GOSPEL
To Every Creature**

Text: Mk. 16-15; And he said unto them, go ye into all the world, and preach the Gospel to every creature.

Did you ever see—A Witch doctor snatch a little baby from its mother's arms, lay it on its back, pour handfuls of sand down its mouth until it strangled to death, this happened in Australia.

Or a mother climb to the top of a tree and jump to her death, because a witch doctor says she is responsible for the death of her child, believing that if she is innocent, the jump will not hurt her, "this happens in Africa today."

Or a mother slowly choking to death, after being hanged, because on that South Pacific Island it's part of their religion to be buried with your husband when he dies.

Or a Native doctor holding the head of a lovely young girl between his knees, and saw her teeth out, a tribal custom, or religion.

Or a pagan devotee stand in the middle of town take a long knife, and hack his head open, till it gushes blood, then cram newspapers into the gashes and sets them on fire, because he believes he must suffer in this manner to get to Heaven.

I realize this does not sound good, but these conditions are still practiced in many parts of the world today. But religious practice, however pagan it may be, will not save a Soul. This only proves that the Soul of every man desires to worship something. I believe that all the discomforts of mankind are due to his lack of fellowship with God. Man will never find genuine happiness until he realizes this and comes back to God by repenting of his sins, and fellowship is restored again. The preaching of the Gospel is the greatest commission God ever gave to man. Preaching just anything could be foolish, but the preaching of the gospel, (good news of Salvation) is our urgent task. (I Cor 121). When the world by wisdom knew not God, it pleased God that by the foolishness of preaching, to save them that believe God gives men faith through preaching. A faith that will release him from sin's bondage.

But let us notice the text: "to every creature" To every creature means to the Heathen; through Missionaries. It means to the business man up town, one's next door neighbor, to every creature means YOU. The man who spends his money for drugs, while his children go naked and hungry, needs to hear and heed the Gospel.

DANCE CLUB TO MEET
The Burnsville Dance Club will hold its monthly dance Saturday night, November 27th, at the Community Building.

Mr. and Mrs. Earl Young are in charge of the dance committee for this month's dance.

Only the Gospel of Jesus Christ, preached in the power of the Holy Ghost, will bring about genuine repentance and change lives. And only changed lives can change our Society; Amen. The mother who left sick children at home, while she stayed out in sinful pleasure until three o'clock in the morning, needs to hear and heed the Gospel. You don't have to go to Africa, to find people who need to hear the Gospel. May this Gospel message be to YOU the good news of salvation of the transforming Power of God, who only is able to Save and Heal. For the preaching of the Cross is to them that perish foolishness, but unto us who are Saved, it is the power of God unto Salvation, (I Cor. 1-18).
