Two Automobile Accidents Last Weekend

Two automobile wrecks in the county over the week end in which four persons were treated for minor injuries were reported by the Highway Patrol here.

One wreck in which two vehicles were involved occurred about 4:00 p. m. Saturday west of Burnsville on Hyemon Curve, according to Patrolman C. W. Warren, who investigated the accident.

A vehicle headed west, reported to be driven by Emory C. Elkins, went out of control and struck an oncoming automobile in the other lane, the patrolman said. The other car was driven by Pauline S. Buckner.

Mrs. Buckner and J. C. Ingle, 14, were treated for injuries and released. Elkins and a passenger in his car, Bernard Riddle, were hospitalized for lacerations, Patrolman Warren said. There were five passengers in the Elkins vehicle. He was charged with reckless driving, according to Warren.

The other accident, with only one vehicle involved, occurred west of Burnsville around 11:00 p. m. Saturday night.

Patrolman R. V. Davis, who investigated the accident, said that a car driven by J. Harley Hughes, 20, first left the road and struck a utility pole near the Prices Creek Road and returned to the highway.

The car traveled approximately a mile, left the road again and turned over on its top.

There were four boys in the vehicle, but none were injured. Patrolman Davis said Hughes was charged with driving under the influence.
