## Bloodmobile Gets 75 Pints On Visit

While the Bloodmobile, on its visit here last Thursday, did not reach its goal of 110 pints, more than 100 donors did show up. However, several of this number were turned down for various reasons, resulting in a total of 75 pints being donated. From this 75 pints, several pints were for replacements.

The bloodmobile was at the Armory, with Dr. E. R. Ohle in charge, with Miss Wanda Edwards, Registered Nurse, assisting. Ladies from the West Burnsville Baptist Church had charge of the canteen.

The next scheduled visit of the Bloodmobile is June 6th. Chairman E. L. Dillingham would like to suggest that all red blooded men and women bear this date in mind and show up ready and willing to separate with a pint of that good blood; or, if your blood is not so "red", start building it up with a good tonic (such as sulphur and molasses) and get it in an acceptable condition.
