

C.S.I.P. Representatives Visit Roanoke

Last Thursday, April 27, representatives of the C. S. I. P. (Comprehensive School Improvement Program) in Yancey County went on an overnight trip to Roanoke, Virginia.

Two schools of the county were represented. From Burnsville Elementary Schools were Mrs. Ruth Hensley and Mrs. Janet Fox; and from Micaville Elementary School were Mrs. Bernice Justice, Miss Doris Young, Mrs. Artie Lee Peterson and Mrs. Nell Kaulf.

On Friday the group was the guests of the Green Valley Elementary School of Roanoke. There the Yancey group observed the most modern teaching methods and teaching equipment now in use.

The group traveled to and from Roanoke by jet.

Miss Janet Cox, college consultant for the C. S. I. P. was in charge of arrangements.
