

THE YANCEY RECORD

Citizens, WAMY Directors Discuss Dissemination Of News

Several interested citizens from the W.A.M.Y. area joined with the Board of Directors in a meeting Thursday night, the 18th, to again discuss, and, if possible, find a satisfactory solution to the question of the dissemination of news to the people under the program.

Among the many suggestions made by the press, radio, and

staff members were the following: Begin at the grassroots by going into the homes of the people and explaining the projects and urging their cooperation; (The question was raised as to how this would be possible with the limited number of staff employees). Another media suggested was a mimeographed news sheet setting forth the different projects. The suggestion was also made that the use of local news media, such as newspapers and radio, be utilized. The civic clubs, churches, medical societies, libraries, schools, etc., could also be interested in cooperating in every way possible. Dr. Lawson Tate, Chief of Staff of Cannon Memorial Hospital, and a W.A.M.Y. Director, in his opening remarks made the point that the most important thing in working with people was by direct contact — letting them know that someone cared, and was interested in their welfare. A representative of the Boone radio station stated that she objected strenuously to the word "poor" — that no one wanted to be listed in this category, and the fact that they were poor was brought about in many cases by circumstances beyond their control; that they were proud people, and she felt a more suitable word could be found to define the condition in which these people found themselves. A member of the press stated that better understanding was needed between the news media and the W.A.M.Y. staff members; that the local papers were doing a good job of publicizing the doings of the O.E.O., and would go all out in helping put across the suggestions and discussions. Dr. Plemmons, President, stated that these would be compiled, studied and his hope was that out of this and similar meetings a workable solution could be found.

Green Mtn. Comm. "Kills Two Birds With One Stone"

By: Shirley Ann McAllister
In Green Mountain Community the people have learned how to "kill two birds with one stone." Just how have they learned to do this? Let me tell you.

For some time the people have been organized in a Community Development Club. They have been working toward a Community Club building. Recently the Zion Baptist Church donated land and work began. It's been quite a busy time on upper Pig Pen Road where the building is being erected. According to Rev. Hughes the building will be ready in a few weeks. Rev. Hughes, the Club president, is supervising three N. Y. C. boys in the laying of blocks, etc. Rev. Hughes says, "I have always liked to work with young people and now I have the

chance. They are doing a good job."

A Community building is being erected and N. Y. C. boys are learning a trade they can use all their lives. Is this not killing two birds with one stone and doing two good jobs?

Businessmen May Borrow Through S.B.A.

Through the Small Business Administration, a businessman can borrow up to 10 years maturity. These loans may be made for establishing new businesses, business expansion, building construction, and operating capital. Loans have already been made in the four

New Members In Cane River Beta Club

The Cane River Beta Club welcomed nineteen new members into its ranks on May 18, in an Assembly Program. A candle light service was used for the induction. The devotion for the service was based on the Beta Club creed. The nineteen new members, chosen from the rising Junior class are: Ward Hilemon, Gwendolyn Adkins, Karen Peterson, Ella Jean Garland, Mary Francis Johnson, L'sa Chandler, J. T. Fox, Judy Phillips, Iva Fender, Judy Riddle, Judy Ray, Gary Murphy, Ronald King, Linda Diana Robinson, Diana Jean Robinson, Florence Hylemon, June Chandler, Barbara Fox, and Linda Penland.

The requirements for membership in the Beta Club are Scholastic Achievement of 90% or better and approval of the faculty.

The Beta Club honored the graduating class with a tea in the school cafeteria, on Thursday, May 18. About two hundred seniors, faculty members and guests were served.

county area totaling \$87,400.00. Management classes for small businessmen have been arranged and will begin within a two week period. The classes planned to be held are in small business law, insurance and risk management and record keeping.

By utilizing the Small Business Development Center virtually any business problem can be solved and many other subjects can be offered through management. Mr. Vann Wilson, Small Business Development Center Director, will be in Burnsville at the W.A.M.Y. office from 9:30 until 11:00 on Thursdays. Mr. Wilson's office is in Spruce Pine on 102 School Street.
