Donation Of G.S. Uniforms Wanted

Do you have an out-grown Girl Scout uniform hanging in your closet, taking up much needed space? If you have, we know just the place for it. There are Girl Scouts from Brownies through Seniors in Yancey County who could make good use of such uniforms. The purchase of a uniform for some of these children would work a real hardship on the parents. Look through your closets, and if you find such a uniform bring it to the office of THE YANCEY RECORD and drop it in a box marked for that purpose. Scout leaders or parents may come by and select a uniform to fit a child who needs it. Some children may be staying out of the Scouts because they are unable to afford a uniform. Be generous, and at the same time do yourself a favor.
