### Blood Collections Short

The visit of the Bloodmobile on Tuesday did not reach the goal set. A total of 97 donors showed, resulting in a total of 74 pints of blood donated, with 23 would-be donors rejected. Dr. Stanley P. Urquhart was the physician in charge; Mrs. Luellen Honeycutt, the nurse in charge; Red Cross volunteers and "Pinafore girls" were on hand to render assistance, and refreshments were served by ladies of Higgins Memorial Methodist Church.

### REMOVE WARTS!

**Amazing Compound Dissolves Common Warts Away Without Cutting or Burning**  
Doctors warn picking or scratching at warts may cause bleeding, spreading. Now amazing Compound W<sup>®</sup> penetrates into warts, destroys their cells, actually melts warts away without cutting or burning. Painless, colorless Compound W, used as directed, removes common warts safely, effectively, leaves no ugly scars.

### Boating Tips...

#### DISTRESS SIGNALS

With today's finely engineered motors and modern boats there's seldom need to summon aid while afloat. Statistics show that the major reason for distress cries is simply "running out of gas."

If you ever find yourself in this embarrassing position, here's how to attract attention, say the Mercury outboard people. If other boats are in sight, stand with your arms spread and move them up and down like a bird's wings. Or you can attach a white shirt to a fishpole or oar and wave it back and forth above your head.

Some other ways are: signal "SOS" (three dots, three dashes, three dots) with a flashlight; activate one of the smoke flares designed for just such situations; continuously sound any fog-signal apparatus; raise a square flag with a ball or something resembling a ball underneath it; carry emergency flares with you and set one off whenever anyone approaches in a boat or airplane.

Better still, carry enough gas.
