

Plans Are Made For Charity Horse Show At Marshall

o Again Be Sponsored By Lions; Committees Named

Marshall, N. C. —

The Marshall Lions Club will again sponsor a charity horse show this summer. The date of the event has been set for Saturday, June 10 with a make-up date in case of rain to be on June 11. There will be two shows, one beginning at 1:00 p. m., and the other at 7:00 p. m.

It will be recalled that the horse show last year was one of the most successful and pleasing events ever held in Marshall. Hundered of persons from western North Carolina and eastern Tennessee attended and everyone exclaimed at the fine manner in which the show was conducted.

John Corbett, coordinator of last year's event, is again acting as coordinator this year and he promises an even better show than last year.

He announced this week that officials include: Judge— F. W. (Lighting) Gregory; Ringmaster, Glen Fletcher; Master of Ceremonies, Lloyd Thompson. A veterinarian will also be on call, Mr. Corbett stated.

Preliminary indications reveal that there will be 32 different contests with trophies and ribbons presented the winners.

A complete list of individual contests will be published next week.

Mr. Corbett has named the following members of the Lions Club to serve on committees:

Finance and Ticket: E. C. Teague, chairman; Walter Ramsey, Ed Morton, Clive Whitte, J. C. Wallin, Roy Reeves.

Concessions: Harry Silver, chairman; Wiley Duvall, Jack Cole,

Earle Wise, O. A. Gregory, Ed Gentry, Larry Corn.

Advertising and Public Address: Jerry Plemmons, Jim Story, and Page Brigman.

Tent: Ralph McCormick chairman; Charles Crowe, Walter Harrell.

Show Ring and Maintenance: Wade Huey, chairman; Kelley Davis, Robert Davis, Ed Niles, Ted McKinney.

Snails Bother Crops In County

Slugs and snails are proving troublesome to vegetables, flowers, and shrubs, especially in shady, damp places. Tobacco, shrubbery, and vegetable plants next to a meadow are usually more easily damaged.

Treatment: Poisoned baits have been used extensively. Baits containing calcium arsenate plus metaldehyde are usually most effective. Read the label and do not put poison bait on strawberries or other crops that you are going to eat.

Trenches plowed or dug around the bed or field and filled with lime or fertilizer have been found helpful.

A general cleanup of old trash, lumber, brush and other debris would be a preventive measure.

Cold, damp weather is favorable for slugs and snails. Sunshine and warm weather will soon be here. Lets hope the snails will leave with the bad weather.

Micaville Scouts Plan Parent's Night

Boy Scout Troop 509, Micaville, will hold a Court of Honor and Parent's Night Thursday night at 7:30 in the Community Building. All parents are urged to be present. Max Hughes of Micaville is leader of the 26 boys in Troop 509.

Pendulum Shop Hosts Antique Meeting

The East Tennessee Antique Dealers Association held their monthly meeting Sunday, June 4, at the Pendulum Shop in Burnsville, N. C.

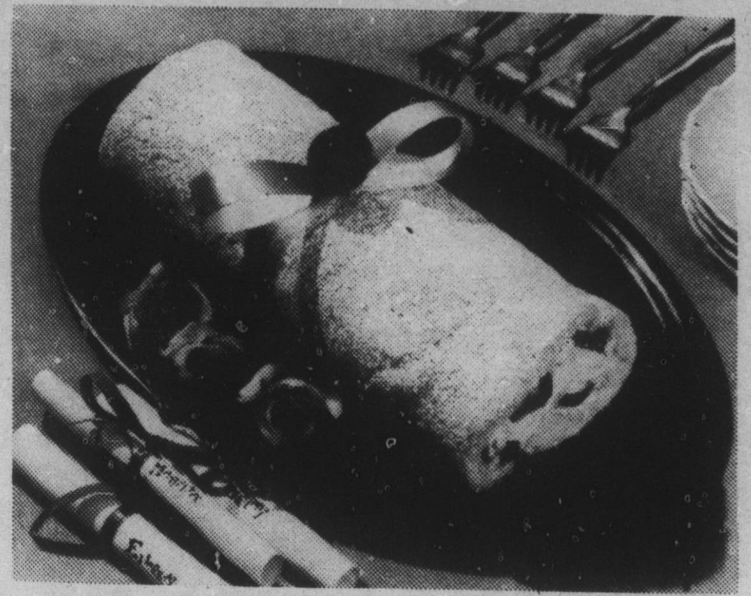

Plans are being made for the annual Antiques Show in Bristol, Tennessee to be held August 18, 19, 20 in the Armory.

STANBACK gives you FAST relief from pains of headache, neuralgia, neuritis, and minor pains of arthritis, rheumatism. Because STANBACK contains several medically-approved and prescribed ingredients for fast relief, you can take STANBACK with confidence. Satisfaction guaranteed!

Strawberry Cake Roll

A LUSCIOUS DESSERT FOR A FAVORITE JUNE GRADUATE

June days are graduation days and proud families salute students with a family gathering or a party. Strawberry Cake Roll provides a perfect tribute for any memorable occasion. A light, tender sponge cake is rolled around a filling of strawberries and whipped cream, then softly dusted with confectioners' sugar for an "easy" topping that takes only seconds to prepare. The cake roll can be tied with a colorful bow and garnished with dainty rosebuds to stimulate the prized diploma — high honors in decoration will be yours.

Sweet, succulent strawberries are a special spring-summer treat and this recipe uses them to advantage. One pint of the fresh fruit is extended with whipped cream to provide 10 servings of cake. Strawberry-flavored gelatin can be substituted for sugar when whipping the cream — it adds pretty pink color and longer holding power. You'll still want to include fresh strawberries for they are rich in vitamin C.

Self-rising flour provides a nutritional bonus, too, of three B-vitamins, thiamine, niacin, and riboflavin plus two minerals, iron and calcium. Use of a self-rising product makes this recipe easy to prepare because it contains the leavening and salt — no measuring is necessary.

STRAWBERRY CAKE ROLL

10 servings

1 cup sifted enriched self-rising flour* 1/4 teaspoon almond extract
4 eggs, separated Confectioners' sugar
3/4 cup sugar Strawberry Filling

Measure flour. Beat egg whites until frothy. Add 1/2 cup sugar, 2 tablespoons at a time, beating until meringue forms soft peaks. Set aside. Beat egg yolks until thick and lemon colored. Gradually beat in remaining sugar and almond extract. Fold egg yolk mixture into meringue. Sift flour mixture over egg mixture and fold in gently. Turn into waxed paper-lined 10 1/2 x 15 1/2-inch jelly roll pan. Bake in preheated 375° oven, 15-18 minutes, or until cake is done. Loosen sides and turn out onto clean towel previously dusted with confectioners sugar. Remove wax paper. Beginning at narrow end, roll up cake and towel together. Cool. Unroll and spread with Strawberry Filling. Reroll and chill until served.

STRAWBERRY FILLING

1 cup whipping cream 1 pint fresh strawberries,
2 tablespoons confectioners' sugar cleaned and sliced

Whip cream until stiff. Fold in remaining ingredients.
