### Lloyd Bailey Receives Degree

When a Yancey County Boy "makes good", we all feel a glow of pride and a feeling of accomplishment.

Among the many boys and girls from Yancey County who have made their mark in the world is Rev. Lloyd R. Bailey, son of Glen Bailey of Bailey Branch.

Lloyd was one of four recipients of the degree Doctor of Philosophy at the 83rd Ordination and Graduation Exercises of the Hebrew Union College-Jewish Institute of Religion held June 3, at the Isaac M. Wise Temple, Cincinnati, Ohio. Dr. Bailey, who received the degree in the area of Hebrew and Cognate Studies, had been the Dr. David Lefkowitz Interfaith Fellow for the duration of the five year degree program, with a year of study under a National Defense Foreign Language Fellowship, in the field of Arabic, at the Hebrew Union College Biblical and Archaeological School in Jerusalem, Israel. Prior to the present degree program, he had received the degree B. A. from Duke University, and B. D. from Duke Divinity School.

For the coming academic year, Dr. Bailey will be Visiting Instructor of Old Testament at Union Theological Seminary, New York City.

In a letter to Mrs. W. P. Honeycutt, expressing appreciation to the WSCS of Boring Chapel for a gift, Lloyd states, "We will be home for a few days in July, following which we will leave for my teaching appointment in New York City. We will be at Union Theological Seminary, Broadway at 12th, New York (right in the middle of Manhattan). That's quite a ways from Bailey Branch (distance and otherwise). I can tell you, Despite the smog and violence, it will be a great opportunity, both culturally and professionally".

With the announcement that season tickets are on sale for the 1967 summer season at the Burnsville theatre, Parkway Playhouse activity picks up speed and heads for the July 18th arrival of students and staff.

The Men's Club of Burnsville will again be in charge of ticket sales. Tickets may be secured from club members and will also be available at the Chamber of Commerce, the Nu-Wray Inn, and at Pollard's Drug store. The season ticket is actually a bargain ticket and may be bought at a 30% discount from the regular admission price. It gives the owner five admissions on one ticket, to be used all in one evening, if desired, or any number of admissions at any one performance. There is also a bargain ticket for young people of high school age and under, at half the adult price.

All seats for Playhouse productions are on a reserved basis. Owners of the bargain tickets present their tickets at the box office window for their reserved seats, when they will be punched for the correct number of admissions.

Last year 265 season tickets were sold. It is hoped to surpass this number this year, with a goal of 300 tickets set, in order to make a successful year and come out in the black. Pre-season sales always help to reassure a theatre group, indicating that the public is behind the group and that the season is on the way to success before it begins.

Ralph Kerns, Managing Director of Parkway, has been occupied since his arrival on June 17th with pre-season planning and other business activity. He spoke briefly at Monday's Men's Club meeting about the program this summer and passed out schedule cards which are also available now.

Parkway's first play will be POOLS PARADISE, by Philip King, author of last year's opener, SEE HOW THEY RUN. Many of the same characters are in this successor to last year's hilarious farce. Kerns will direct, and announces that four of last year's cast will be returning to play the same roles. A special, invited audience will see this comedy on July 27. It will also play to the general public on July 28, 29, 31 and August 1.

Second play of the series is ANGEL STREET, the mystery which became the successful movie, GASLIGHT with Charles Boyer and Ingrid Bergman. Lauren K. Woods of Monmouth College, N. J., returning for his fifth year with Parkway, will direct this thriller, to be given Aug. 4, 5, 7, 8.

Then comes a delightful, human comedy, EVERYBODY LOVES OPAL, and you'll love her too. Her friendliness, kindness and affection overcome three strangers who try to be-
