

## Micaville Scouts Attend Daniel Boone Camp

Max Hughes, Scoutmaster  
Troop 509

12 boys from Micaville Troop 509 attended Camp Daniel Boone from June 25th through July 1st. They were accompanied by Max Hughes, Scoutmaster. The boys attending were: Randy McIntosh, Bennie Gouge, Gerald Blalock, Neil McCurry, Roscoe Bailey, Gary Robinson, Kenneth Hughes, Tommy Edge, Douglas Hensley, John Griffith, Jimmy Gouge and Rodney Bailey.

Shown in the picture are two dining frys put together to cover the tables used for cook-outs. Each patrol was required to cook three meals outside during the week. Each patrol in Troop 509 did an excellent job with their menus and cooking.

Even though each boy is required to have a medical check-up before going to camp, he was given a re-check upon arrival on Sunday afternoon.

Immediately following the medical check the boys were taken to the water front for a swim check. They were then placed in ability groups — Learners, Beginners and Swimmers.

Some of the required activities were: boating and canoeing, swimming, star study, utensilless cooking, archery, map sketching, handicraft, orienteering, trailing and tracking, camp sanitation, and aquatic merit badges.

Other activities enjoyed by the scouts were fishing, horseshoe pitching, volley ball, walking monkey bridges and running an obstacle course.

A day looked forward to by all the boys is Parent's Day. The following parents, grandpa and children from Micaville visited the Camp: Mr. and Monroe McIntosh, Mr. Randolph, Mrs. Louetta Mr. and Mrs. Sidney Mr. and Mrs. Billy Ray and son Mike, Mrs. Wesley Curry and daughters, Carol and Jey, Mrs. Ben Griffith and son Tom, and Mrs. Max Hughes and son Gary. These visitors attended four important events: the water meet, the Order of the Arrow, and the tap-out — formal colors and vesper services.

The water meet was a competition among the scouts. In the Learner group there were the Rock and Spoon, Glide Race and Treasure Hunt. The Beginners event consisted of a 50 yard free

Looking south on the 2000-foot runway where small planes will be landing soon to take advantage of the camping sight under construction by Ray V. Miller at Pensacola.

One plane has landed and

taken off from the strip, and Mr. Miller expects many more as time goes by.

The runway is gravel now, but when it is completed it will be covered by a grassy sod.
