

GLEN RAVEN PICNIC ENJOYED BY YOUNG AND OLD

A friendly group out in front

At a picnic held last Sunday afternoon at East Yancey High School the employees of Glen Raven Mills and their families celebrated their record of two million man-hours worked without a lost time accident. About 440 people were in attendance.

A meal, catered by the Hill Top Restaurant, was served about 5:30 p. m. Other activities included horse shoes, soft ball, safego (a bingo game emphasizing safety), toys and balloons for the children, and lots of conversation and socialbility.

Such a get-together is doubly enjoyable because it represents a story of things that did not happen: eye, back, leg or hand injuries; hospital, and other bills that it was not necessary to pay; and, most importantly, suffering and pain that was not experienced. These are really the benefits of such a picnic.
