1968 FORDS

Strikingly new for 1968 is Torino by Ford. At the top of the Fairlane series, the Torino is available in six models including the formal hardtop (above) and the GT fastback. Four inches longer than previous Fairlane models, the Torino brings a new standard of luxury to the intermediate class. All 1968 Fairlane models have completely new sheet metal featuring an integrated grille-dual headlamp assembly and a distinctive raised center panel. A new 302-cubic inch engine is standard in the Torino GT and optional in all other series.
