

# YANCEY THEATRE

Thursday-Friday-Saturday

Jan. 30-31 Feb. 1

The Battle of the Ages!  
The Undergraduates vs. The Over-Thirties!

<p><b>My home is impossible!</b> My parents are sore because I've been arrested for picketing on the campus. How do I know what that sign said on the other side?</p> 	<p><b>My boyfriend is impossible!</b> He says I'm driving him crazy and that he's talked with his hygiene teacher about me. Poor Freddy, he must be tired of always getting turned on and off!</p> 	<p><b>My father is impossible!</b> He can't understand why I'm failing gym class. He thinks all I have to do is "Show up and take a shower!"</p> 	<p><b>My mother is impossible!</b> Every time I go to the beach with a boy, she gets mad when I come back with my bikini full of sand!</p> 
<p><b>My little sister is impossible!</b> She asks me to lend her a bra, so I tell her to go get a bra. If she isn't reading "Fanny Hill," she's listening to my phone calls!</p>

## Forest Service Eliminating Recreation Area

Peter J. Hanlon, Forest Supervisor, National Forest in North Carolina has announced that the Forest Service is eliminating Big Ivy Recreation Area near Barnardsville, N. C.

"This decision", said Hanlon, "has been made two years after receiving approval to eliminate the area. In the meantime, efforts have been directed towards protecting the area from vandalism and making it safe and enjoyable for the public. Help from some local people and State and Federal law enforcement offices hasn't sufficiently curbed vandalism and disturbances."

Summing up, Hanlon said: "The Forest simply cannot invite the public to an area where their safety and enjoyment are not reasonably assured. Neither can a public agency disproportionately spend funds on a small recreation area when the funds are badly needed and can be more wisely spent elsewhere."
