**Conference Would Help Yancey Prepare**

A conference designed to enhance Yancey County's chances for industrial development will be held Thursday, April 2 in the Yancey County Courthouse at 7:30 p. m. The meeting was announced by G. D. Bailey, President of the Yancey County Chamber of Commerce.

Mr. Bailey said Bob Goforth and Tom Jones, representatives of the North Carolina Board of

Conservation and Development (C & D) will present the program. Their presentations will include explanations of two new C & D programs: The Industrial Development Team and The Governor's Award Program, both of which were devised to help smaller communities better prepare themselves for industry.

According to Mr. Bailey, the new programs were deve-

loped to give smaller communities an opportunity to compete with larger areas for industry. They will tend to equalize and standardize industrial development programs statewide.

In addition to Chamber of Commerce members, the Yancey County Jaycees and the Men's Club have been invited to send representatives. The public is also invited.
