# Everybody is looking for a bargain.

# Here's one you can believe in.

LeSabre Custom

What makes the Buick LeSabres we sell such bargains?

We're dealing, for one thing. Spring is here and we're making up for lost time during those cold winter months when everybody stayed home by the fire.

We're going to make it real easy for you to get into a Buick and celebrate Spring.

But that's only part of what makes a bargain a bargain.

What about the car? Can you believe in it?

Every Buick is built with integrity. You get things like a cooling system that should never overheat, even with air conditioning.

You get Buick's unique suspension system—AccuDrive—that makes this LeSabre one of the best handling Buicks ever.

You can even order a 350 cubic-inch, V8. With four-barrel carburetion. That

delivers 285 horsepower. Yet runs on regular gas.

So, let's put it this way. If you want a bargain, we've got the ingredients. The car. And the deal.

Wouldn't you really rather have a Buick?
