EY Student Featured In 'Co-ed Magazine'

Miss Linda Deyton, senior at East Yancey High School, is featured in the May-June issue of *Co-ed Magazine*. Linda has been Co-ed Correspondent for the school year 1969-70. In the issue is a picture of Linda and her comment on the question "How would you describe your generation?"

Linda said, "My generation is one of the most criticized generations that have ever existed. Most of us are vastly different from our parents and other adults. Our surroundings, our opportunities, and our upbringing have been almost totally different. We have grown up with much, so we do not have the great desire for money that our predecessors have had. We can see the lives of other people through the vari-

ous news media, and we want to do something about the hunger, destruction, and poverty we are able to see. We are concerned. And we want to do something about it; not just talk."

Linda is the daughter of Mr. and Mrs. O. W. Deyton, Burnsville, N.C.
