

Burnsville Homemakers Club Hears Mental Health Talk

Mrs. David Powers was hostess to the Burnsville Homemakers Club on Friday afternoon,

June 19, with 11 members and two guests present. Following the devotional gi-

ven by Mrs. Charles Proffitt, Mrs. Pete Coletta, president, introduced Mrs. Wanda Edwards, Public Health Nurse, who gave a most interesting talk entitled "Missions in Mental Health". Her subjects covered causes of mental illness, drugs, and retardation. She also covered the work being done throughout the nation, state and locally for victims of mental illness, and what individuals could do

in this work. She expressed appreciation for a contribution of \$900 voted by the County Commissioners toward the work of the Mental Health Association in the County.

Reports were made by the Chairmen of Family Life, Mrs. Troy Ray; Nutrition, Mrs. Byrd Gillespie; and International Relations, Mrs. David Powers.

The Club voted to make a contribution of \$25 toward re-

lief of earthquake victims in Peru.

There was a discussion as to how best to work out arrangements, including items to be displayed and sold at the Mt. Mitchell Crafts Festival to be held in early August.

Mrs. Powers, assisted by Mrs. Helene Moore and Winnie Lou Ray, served refreshments, after which a social hour was enjoyed by the group.
