

Nested Tobacco Ineligible

Nested tobacco is not eligible for price support. The associations through which price support is made available will examine all tobacco marked for price support in an effort to find any nested tobacco before it is moved from the warehouse floor. Any nested tobacco found in such examination will not be accepted for price support.

Nested tobacco which is not found at the warehouse will always be found at the redrying plant. The contract under which the warehouse pays producers price support on behalf of the association will provide for the association to collect all overpayments made to the warehouse on nested tobacco. The contract will also provide for the warehouse to pay the association \$7.00 for each basket of nested tobacco delivered for price support to cover the association's cost of handling the nested tobacco. The warehouse will be furnished the identity of the producer whose tobacco was nested, and nothing in the contract between the warehouse and the association will prevent the warehouse from collecting from any producer the refund, and the payment of \$7.00 per basket made by the warehouse to the association with respect to the producer's tobacco.

The following provisions of the Tobacco Inspection Act are applicable to nested tobacco: "It shall be unlawful . . . for any person . . . knowing that tobacco is to be offered for inspection or sampling under this Act to load, pack, or arrange such tobacco in such manner as knowingly to conceal foreign matter or tobacco of inferior grade, quality, or condition; or for any person knowing that tobacco has been

so loaded, packed, or arranged, to offer it for inspection or sampling without disclosing such knowledge to the inspector or sampler before inspection or sampling." The Act also provides: "That any person violating . . . (these provisions) shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$1,000, or imprisoned for not more than one year, or both."

FFA Wins

The East Yancey FFA team won the Parkway Federation Tool and Material Contest, held at East Yancey on November 5th, and will advance to the state finals to be held next June in Raleigh, at the State FFA Convention. Members of the team included: Alan Carol, Danny Hughes, Maurice Presnell, George Powers, and alternates Bob Decola and Ronnie Wilson.

The purpose of this contest is to develop the ability to identify some 245 tools and hardware and to be exact in the spelling.

Letter To Ed.

Dear Editor:

The plot thickens! It has been 10 days since the momentous School Board meeting wherein Burnsville Elementary School was promised mobile units to meet their emergency situation. We understand that no money is available to purchase these units. We understand that no special presentation has been made to the Commissioners to ascertain if any money is available to purchase these units.

Let all Burnsville citizens come forth to the meeting of the County Commissioners on Monday, December 7, and find out IF they have the money to provide these units . . . if they do not, IF they are going to raise taxes to a level to pay for these units in the foreseeable future.

Is ANYTHING going to be done to remedy the dangerous and impossible conditions at the Burnsville School . . . conditions that can only grow more insurmountable when that school can not be opened for pupil occupancy in September of next year?

William N. Hess

FHA Loans

(Cont'd from page 1)

says, "We are proud of our record of accomplishments during this period just reviewed. We are here to help, and more and more families are coming to realize this and apply for assistance from the Farmers Home Administration." He also noted that FHA stands ready to assist with a grant and loan for a solid waste disposal program for the county.

THANK YOU

To the many people in Yancey County who supported me and worked in my behalf during the recent campaign, I wish to express my sincere appreciation.

I will strive to merit your continued support—fulfilling the duties of Clerk of Court in Yancey County
