 Seventy eight 4-H adult leaders and agents from North Carolina met with leaders from New York, Indiana, Nebraska, New Jersey and Maryland for the purpose of finding new and better ways to communicate with the youth of our nation.

After a week of group discussion, listening to speakers like Dorothy Emerson and Dr. Charles Freeman, I feel sure every leader and agent found something new to bring home and a greater determination to serve the youth of their community.

Remember if you are not part of the solution you are part of the problem.
