Trunk Workshop

Have you looked at that old trunk in the attic and wished for an opportunity to transform it into a decorative item for your home? Fourteen Yancey County homemakers have enrolled in a Trunk Renovation Workshop to be held on May 11, 9:00 a. m. to 3:00 p. m. at the First Presbyterian Church basement. These family heirlooms cannot only give interest and beauty but also add extra storage for linens, blankets, out-of-season clothes, momentos, silver and of course, toys. Flat top chests are perfect for end and coffee tables, night stands, etc. Doll trunks make lovely jewelry, glove and scarf cases. The present class is full. Any homemakers interested in future workshops should contact Mary Margaret Deyton, Home Economics Extension Agent, 682-2113.

Note Of Thanks

I would like to thank Mrs. Lester Preiss of Miami, Florida and the 5th and 6th grade Sunday School Class at Grace United Methodist Church in Miami for their generous contribution of a large box of shoes. Shoes are always a much needed item for disadvantaged school children and we appreciate the kindness of those who help us in this way.

Attendance Counselor

A recent Pancake Supper sponsored by the Burnsville Lions Club was successful in raising funds for the "Girls Haven" project. A check for \$178.50 was presented to Social Services Director Randall Peacock by Lion Treasurer Arney Fox as a result of this effort. This represented almost 100% of the money taken in since practically all of the material for the supper was donated. The Lions Club is most grateful to the following for the contributions made in this effort: Ray Brothers Food Center, Burnsville Super Market, Proffitts Store at Bald Creek, J.F. Robinsons Store, Sprinkle Shelton Grocery Co., Biltmore Dairy, Pet Dairy, Sealtest Dairy and Clark Fowler Grocery Company.

Buddy System At Festival

(Cont'd from page 1)

...nity life, and... We want to encourage them to continue and increase their participation... We feel that they deserve our respect, affection, and gratitude..."

The Festival of Friendship which will take place from 10 a. m. to 3 p. m. on the Town Square provides an opportunity to fulfill the resolution. It will be a day of celebration with picnic, entertainment, games, contests, awards and displays.

One of the unique features of the day long celebration will be a "buddy system". One senior citizen who is able to get around well will be a buddy for the day's festivities to another senior citizen who needs some help. Buddies will stick close together throughout the day. In this way many senior citizens who are able to get out can be a great help to others not as fortunate as they.

What is needed to make the "buddy system" operate are volunteers who will serve as buddy on that day. If you are interested in being a buddy or if you know someone who needs a ride please call 682-2134.

loring. The clothing construction workshop will be held on June 22, 29, and July 6. An advanced tailoring workshop will begin on August 18 and continue each Wednesday for six weeks.
