4-H Meeting

Some young people have expressed an interest in what might be called a "Senior-Teen 4-H Club" which would be county-wide. This is a busy time of year for you at school, but in order to have an active group this summer, we need to get organized before school is out. The first meeting will be held Thursday, May 27, in the basement of the First Presbyterian Church after school. The structure will depend mostly on what you want to make it and the club's ongoing responsibilities will be up to you. One requirement would be that at least one parent meet with you each time that you meet. I think you would find this type of club very enjoyable.

Come--Thursday, May 27, for a friend.
