Raylene Fox Holds Trophy Awarded For "Cutest Dancer"

Gets Award

Last September the "Country Store Cloggers" danced at the Apple Festival in Hendersonville, N.C. More than a hundred dancers from various parts of the state participated.

Two weeks ago, the smallest of all the dancers, Raylene Fox, received a letter from Mr. C.J. Fisher. He told her how much he and Mrs. Fisher had enjoyed her dancing, and that they wanted to send her a present.

On May 28, Raylene received a phone call from Mr. Fisher who had arrived at the Country Store with a present. It was a beautiful trophy with the following inscription on the front: "Raylene Fox, Cutest Dancer Apple Festival 1970".

Mr. and Mrs. Fisher live in Florida during the winter months and in Hendersonville during the summer. He is a retired circus performer. The Fishers plan to return to Yancey County in August to see Raylene perform in the Yancey Youth Jamboree.

Good Things Last Longer in a Frost-Free Freezer

It's almost like having a super market in your own kitchen!

You can keep that garden-fresh goodness in your vegetables and fruits; keep meats and poultry for months and months. And everything is handy when you need it!

A frost-free refrigerator can save you money, too. Buy meats and vegetables during seasonal sales for serving when prices are high again. You save shopping trips because you can buy in large quantities and safely store perishables in your freezer. There is always plenty of food handy . . . even when unexpected guests stay for dinner.

For years of care-free service, be certain yours is a frost-free freezer. That way you can use your freezer without interruption for years and years.

See the new frost-free freezers at your favorite appliance dealer. You'll find one that should be in your home!
