Jimmy Norris

By Sylvia Ballew

The coaches of the East Yancey Football Team have chosen the player of the week. This player is not necessarily the most skilled player, but the one who plays with the most determination and undying spirit.

This week the choice by the coaches is Jimmy Norris, a senior halfback on the team. He is the son of Mr. and Mrs. Bill Norris of Arbuckle.

Some of Jimmy's activities outside football are Beta Club, Monogram Club, Annual Staff, Literary Magazine, Basketball and Baseball.

We want to urge Jimmy and the other members of the team to keep up the good work.

**BICYCLE WHEEL**--East Yancey High School students Larry Robinson and Carol Ray focus their attention on the axis of a spinning bicycle wheel held by GM representative Harry Czubek, Jr. The wheel is used to demonstrate two basic properties all gyroscopes exhibit: inertia and precession. This and eight other fascinating research demonstrations were presented to East Yancey High students on Monday, Sept. 27 when GM's "Previews Of Progress" science show visited Burnsville.

The Panthers of East Yancey have only five games left. Please come out and support them. Here are the remaining games and where they will be played:
