WHILE BUSINESS AND INDUSTRIAL PROGRESS IN THE YANCEY-MITCHELL AREA IS OFTEN OBSERVED, THE MOST IMPORTANT KIND OF PROGRESS IS USUALLY OVERLOOKED—THAT WHICH IS CONCERNED WITH OUR ENVIRONMENT. DESPITE THE FACT THAT WE TAKE ENVIRONMENTAL PROGRESS FOR GRANTED, MANY MEN WORK CONSTANTLY TO PROTECT AND CONSERVE OUR RESOURCES. AND THAT IS WHAT OUR POLLUTION-CONSERVATION ISSUE ALL ABOUT!

IN OUR SPECIAL EDITION WE WILL SHOW YOU WHAT INDIVIDUALS AND INDUSTRIES IN OUR AREA HAVE DONE TO PRESERVE OUR WATER, AIR AND LAND RESOURCES. WE WILL ALSO POINT OUT WHAT POLLUTION EXISTS AND PLANS FOR COPING WITH IT.

THE ENVIRONMENT IS EVERYBODY'S BUSINESS!
