### Fork Mountain RFD

By Mrs. Ancel Troutman Mrs. Grace Whitson is on the sick list.

Our sympathy goes out to the family of RoyMcKinnev who passed away last week at Holston Valley Community Hospital in Kingsport, Tennessee.

Anna Rose Byrd of Loganville, Georgia has returned to the home of her parents, Mr. and Mrs. Roy Green, after having surgery at Mem orial Hospital two wks. ago.

We are glad to see Douglas Garland home. He has been in the U.S. Army for two years and has been stationed in Okinawa for the past 16 months.

Stella Gouge visited her parents, Mr. and Mrs. J. B. Whitson in Johnson City last weekend.

Ancel Troutman and Douglas Garland visited friends in Johnson City, Tenn,

A Household Shower was given last Saturday night at the home of Mr. and Mrs. Joe Garland for Mr. and Mrs. William Edwards. They received many nice and use-

DOCKET NO. P-100, SUB 28

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of

Investigation of Intrastate Toll rates and Charges of all Telephone Companies Under the Jurisdiction of the North Carolina Utilities Commission

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has instituted an investigation into the intrastate toll rates and charges of all telephone companies under its jurisdiction. This action was made necessary as a result of the Commission's review of the Southern Bell Telephone and Telegraph Company application for increased rates in Docket No. P-55, Sub 681, wherein Bell proposes to increase its intrastate toll rates which if approved in whole or in part would result in nonuniform intrastate toll rates in North Carolina.

The Commission is of the opinion that it is in the public interest that uniform intrastate toll rates be maintained for all telephone companies under its jurisdiction. Accordingly, on November 8, 1971, in Docket No. P-100, Sub 28, the Commission has instituted an investigation into said intrastate toll rates making all telephone companies under its jurisdiction parties to the investigation and set the matter for hearing on March 21, 1972, at 10:00 A.M. in the Commission Hearing Room, Ruffin Building, One West Morgan Street, Raleigh, North Carolina. The Commission's investigation is for the purpose of determining if changes should be made in the present intrastate toll rates, and if so, if the changes should be made applicable to all telephone companies under the Commission's jur-

All protestants or other parties having an interest in said investigation may file their protest or petition to intervene in accordance with Rules R1-6, R1-17 and R1-19 of the Commission's Rules and Regulations. The proposed rates and present rates are as follows:

(SEAL)

## Killy To Spend Weekend At Appalachian Ski Mtn.

Three-time Olympic Gold Medal winner Jean- Claude Killy will arrive in Charlotte at 2:30 p.m. Jammary 28 for a series of personal appearances and ski exhibitions in the Boone and Blowing Rock area January 28-30.

First Union National Bank. whose Young Carolinians Club is co-sponsoring the only 1972 U.S. appearance for Killy along with the French-Swiss Ski College of Blowing Rock, today nounced the ski super star's complete schedule.

Upon arriving in Charlotte, where he will be met by Charlotte Mayor John Belk and First Union officials, he will attend a reception in the new 32-story Jeffer son-First Union Tower in downtown Charlotte at 3:30 p. m. Following the bank reception, he will be transported by helicopter to Blowing Rock where he will make a non-skiing appearance at the Appalachian Ski Mountain Lodge.

Saturday, he will make his first ski appearance at 1:00 p.m. Following his slalom exhibition, he will free ski with the general public, signing autographs, giving instructional pointers, etc. His second skiing exhibition Saturday will be at 9:00 p.m. umder the floodlights of Appalachain Ski Mountain.

He will also attend a cocktail party for 800 Young Carolinian Club members on Saturday evening in the new Boone Civic Center.

Sunday morning at 9:30 a. m., Killy will make his third and final appearance with a ski exhibition.

He will depart Charlotte Sunday to Sapporo, Japan, where he will light the eternal flame for the Olympic

In the South soul food is the skiers favorite says Bill Gantt, chef at Appalachian Ski Mountain. "Southern food, greens, black - eyed

peas, muffins, that's the biggest thing right now, that's what the skiers from New York and Miami want when they come here," says Gantt.

Italian foods, especially lasagne, also are very popularwith skiers, but Southerners often are reluctant to try fancy, spicy French and Italian dishes, he says.

The 34 year old Gantt, a native of Cherryville, N. C. has cooked for lots of folks, from truck drivers to New York parties for stars like Barbara Streisand and the late Judy Garland.

On a good weekend, he'll cook apres-ski meals for more than a thousand skiers serving cafeteria style at lunch and both cafeteria and menu style at night.

"We try to present a good cross section of food, so that people other than skiers who have to eat here will come out for lunch or supper, "says

He started out cooking as a summer job while attending Western Carolina, as he ran a restaurant-cafeteria at Carolina Freight Carriers in Cherryville.

He later studied under a French Chef in New York where he also cooked for a restaurant chain and worked as a caterer at celebrity

Gantt taught geology, history and English in the Charlotte-Mecklenburg Schools and at the former N.C. Advancement School for Boys for 10 years before entering Appalachain State at nearby Boone last year.

He's in his first season at Appalachian Ski Mountain and hopes to save enough money this season to enable him to finish his masters next

Then he plans to go back to teaching.

"I can make far more money as a chef than as a teacher, but I think there's a greater need for good teach ers than good chefs," Gantt

### Presbyterians, Methodists Unite In Prayer Service

The First Presbyterian Church and Higgins Memor ial United Methodist Church will participate together in Christian UNITY PRAYER SERVICE on Sunday evening. January 23 at 7:30 p.m. All are encouraged to attend the service and the public is cordially invited. The special service will feature lay leadership from both congrega tions. Mr. Charles Gillespie and Miss Wanda Edwardswill give the sermon--major mes-

sages -- during the service. Why hold this service? "It is a means of re-emphasizing the committment at the lounity. For unity is a fact for these congregations who have cooperated together in worship, in youth work and community service," says Rev. Don Elly, pastor of the First Presbyterian Church, Through this service both congrega tions will affirm the hopes all Christians have for a peaceful and united world.

So plan now to support this service of worship on Sunday evening, January 23, 1972 at 7:30 p. m. Be present with everyone else at Higgins Memorial Methodist Church. See you there!

FROM MITCHELL COUNTY **EXTENSION OFFICE** 

By Mrs. Jane B. Cook

Have you had your Vita -

Extension Agent

min C today? In a survey

across the state two out of

enough Vitamin C. Recently

we hear of people getting Vi-

tamin C the easy way -- by

taking pills. What is the

craze on Vitamin C? We

need Vitamin C or ascorbic

acid every day because our

body does not store it like

it stores fat. Any extra Vi-

tamin C that is not needed

is passed off the body in the

urine. Because we need Vi-

tamin C every day we need

to eat a food every day that

get Vitamin C in citrus fruit

like oranges, grapefruit;also

tomatoes and tomato juice

are good sources. Broccoli,

green pepper, spinach and

high in Vitamin C. Cabbage

is one of the highest foods in

Vitamin C. Strawberries - -

if you have stored them up

for the winter, or buy them,

can furnish you with Vita -

min C. Cantaloupes are a

good source also. There are

many other foods that con-

tain Vitamin C.

collards, mustard greens,

cooked turnip greens are

contains Vitamin C.

three people do not get

Why do we need Vitamin C? It is necessary for normal functioning of all body cells--our bones, teeth, skin, blood vessels. Vitamin C has a part in healing of our wounds and burns.

Perhaps some of the Vitamin C pill use is because of people's fear of what can happen to them if they don't get enough Vitamin C. Scurvy appears more often in an infant and young child than in an adult. Scurvy shows up in signs of growing bone which forms improperly. A frequent sign of scurvy in the young child is beaded ribs. The front ends of the ribs are sore and breathing may be difficult. Soft tissue around the joints may be so painful the child cries when handled.

In adults gums become swollen, bleed readily and are spongy. This could be the reason a dentist prescribes Witamin C pills. People could eat Vitamin C foods regularly and prevent some of the gum trouble they have, Teeth may even loosen if the condition is bad enough. Also skin may be scaly and thickened. Red splotches on the skin may be caused by lack of Vitamin C because small hemorrhages can be one of the symptoms of lack of Vi-

A mild case of scurvy

tamin C.

could be described by weakness, irritability, loss of weight, vague aches and pains in muscles and joints, apathy. Also, there may be bleeding gums and greater risk of infection. This is where people get the idea that Vitamin C helps prevent colds. It does in that it helps to resist infection by building and having stronger body cells. It is not difficult to get Vitamin C. When breakfast is omitted many persons do not get their Vitamin C requirement. So Vitamin C is needed daily. But we do need to get Vitamin C by eating foods which contain Vitamin C, not by taking a pill. If we eat a high content of Vitamin C. food daily, we do not need a pill. If you take in more than the daily requirement it is pass ed out in the urine. Too much, especially by pill, is costing you wasted money. Also, overdoses of Vitamin C, it is pointed out by a chemist at the University of California at San Diego, can be harmful to our bodies. Heat, air and light de stroys Vitamin C. For this

reason, freezing is good for Vitamin C foods. Open Kettle cooking loses much Vitamin C. It is best to use a lid over Vitamin C foods--broccoli, spinach, cabbage, peas, etc. or use pressure cooking to save Vitamin C. Also copper containing pots and pans destroy Vitamin C. Cooking in too much water destroys it too, when you pour off the water. Remember the good sources of Vitamin C: citrus fruits, tomatoes, leafy green vegetables.

Families with an adjusted income of \$8,000.00 or less can get a home loan through FmHA.

The Farmer's Home Administration, an agency of the U.S. Department of Agriculture, is projecting over 100 Million Dollars to North Carolina for rural housing in fiscal '72. You may be able to qualify for a home loan under this program.

#### THE QUALIFICATIONS:

1. You plan to build in a rural area or town which has a population of ten thousand persons or less.

2. You are unable to obtain a home loan elsewhere at a rate of interest you can reasonably afford.

3. Your adjusted family income per year is \$8,000.00 or less.

IF YOU KNOW SOMEONE WITH THESE QUALIFICATIONS, **GIVE THEM THIS INFORMATION!**
