

## Answers To Your Questions About The Hospital System Facts About Blue Ridge Hospital System

Who are the campaign leaders?

They are your friends and neighbors—volunteers all—who are not only contributing generously to the Development Fund themselves, but have volunteered their valuable time to make this vital community endeavor a success.

Who will be asked to contribute?

All concerned citizens of the area; including individuals, businesses, corporations, foundations, clubs, and organizations.

How much should I give? Only you, as an individual, can answer this question. But consider basing your gift on your ability to contribute, your understanding of the need, and your desire to provide the best

health care possible for those you love. Your gift will be a long term investment in health protection for yourself, your family, and your community.

What are the dates of active solicitation for the campaign?

Campaign volunteers will be making their calls from July 1 through August 25, 1972.

### Dean's List

Linda Deyton has been named to the spring quarter Dean's List for scholastic achievement at Berry College. She is the daughter of Mr. and Mrs. O.W. Deyton, Burnsville.

Miss Deyton scored a 4-point (straight-A) grade for the quarter. The minimum grade standard for the Berry Dean's List is a 3.5 average.

## Jaycee Pres. Joins Board

Local Jaycee President, Mr. Tom Storie, has accepted an invitation to become a director on the North Carolina OUTWARD BOUND School's Auxiliary Board.

Since both the Jaycee's and "Outward Bound's" philosophies aim to provide service to the community, the state's Jaycee executive committee voted to provide the organization's statewide support to the North Carolina School. The efforts of the two organizations will be aimed at providing local residents with the opportunity to experience the "Outward Bound" program.

The School uses the mountains, forests and waters of the Southern Appalachian Mountains to give participants the chance to discover their own

resources and capabilities through such activities as rock climbing, rafting whitewater rapids, and backpacking.

The North Carolina School is an organized search and rescue unit serving the Pisgah National Forest. Opportunities for community service may include rescue activities and working with nearby organizations serving the deaf, retarded children, the elderly and others in need.

The program serves a broad range of American youth and is available to anyone over 16 1/2. The North Carolina "Outward Bound" School is often able to provide financial assistance to local residents on the basis of need.

Persons interested in attending this summer should get in touch with Mr. Storie.

Mrs. Alan Lane Buckner

## Kampf And Buckner Are United In Matrimony

Loretta Anne Kampf and Alan Lane Buckner were united in marriage in a ceremony held at the First Baptist Church in Burnsville on June 18, 1972 at 2:00 p.m. Rev. Harold McDonald conducted the service.

The bride is the daughter of Major (USAF Ret) and Mrs. Albert A. Kampf of Burnsville. The groom is the son of Chief Yeoman (USN Ret) and Mrs. Billy D. Buckner.

Given in marriage by her father, the bride wore a full-length gown with underlay of quiet taffeta and an overlay of organdy with lace. Lace appliques were sewn on the overlay. The bride made her gown and veil of illusion. A Juliette cap with lace all around the veil of illusion, which fell from it, made up the headpiece. She carried a Bible given to her by her mother, covered with white roses trimmed with lily of the valley and ribbon tied in love knots.

Charlie Boone was organizer for the ceremony, and Miss Chris Miller, soloist, sang "We've Only Just Begun" and "The Lord's Prayer".

Maid of Honor was Miss Rosemary Kampf, sister of the bride. She wore a long-sleeve gown with high bodice and underlay of empire satin, overlay of organdy in pink. Her flowers were a colonial bouquet of Shasta Daisies, sprayed pink and green to match her gown and that of the bridesmaids, with long pink ribbon.

The bridesmaids, Sharon Cassida, Carole McDonald and Alice Potter, all friends of the bride, wore gowns which were identical to that of the maid of honor, except of light Nile green fabric. They carried bouquets of pink Shasta Daisies with long green ribbons.

Mr. Keith C. Buckner, brother of the groom, served as his best man. Ushers were Dean A. Miller, Kim Franklin and Randy H. Buckner.

Gregg Ledford served as ring bearer. He carried the rings on a heart-shaped lace trimmed satin pillow.

The mother of the bride was attired in blue with white accessories.

The groom's mother was dressed in pink with lavender accessories.

The wedding, which was broadcast live over WKYK Radio, was followed by a reception in the fellowship hall of the church. Miss Janice Hunter and Janice Young served the wedding cake and Miss Chris Miller served at the punch bowl.

The bridal couple will spend their honeymoon in South Carolina, following which they plan to live in Asheville. Both will attend the University of North Carolina in Asheville in the fall.

### Notes Of Thanks

Ann Tipton wishes to thank the Big Creek Free Will Baptist Church for their help and sympathy during her illness. Their kindness and thoughtfulness will be remembered and was greatly appreciated.

The family of Mrs. Barbara Ann McCurry wish to publicly express their sincerest appreciation for floral arrangements which were sent in her behalf. Also to the people who were so kind and considerate during her prolonged illness.

The family would like to both publicly and personally thank the following people for floral arrangements which addresses were not on cards: Mr. and Mrs. Elbert Edwards and family of Marion, N.C.; Mr. and Mrs. E. L. Gooch and family of Asheville; Mr. and Mrs. Yuit Hensley and family of Bald Creek; Mr. and Mrs. Jack Tate and sons, also James Hensley, Sylva, N.C.; Mr. and Mrs. Charles Massey of Burnsville.

Another breakthrough in yeast baking techniques has been made. The newest revelation in yeast baking is freezer dough, which can be made at home.

This latest technique uses earlier yeast methods and the easy modisolve "rapidmix method". All are designed to make yeast-baking better in quality, easier and more convenient.

Freezer doughs are doughs you mix, knead, shape and then put right into the freezer. When you want to have freshly baked breads, rolls or coffee cakes, just take the shaped doughs from the freezer, let them thaw and rise, and then bake them.

Freezer doughs offer many advantages for every homemaker. Because they are not

allowed to rise before freezing, they take one-fourth to one-third less storage space. They save time and energy because the preparation for larger quantities of baked goods can be done at one time.

The important thing to remember about freezer doughs is that not all doughs freeze well, nor do all fillings. Only the specially developed freeze dough recipes which have increased yeast shortening and sugar contents are recommended for freezing.

A new publication, "Bak-It Easy Yeast Book" is available to homemakers from the Home Economics Extension Office. A special 6 page section is devoted to French Bread, Sticky Buns, Freezer Bread Sticks, etc.
