ANNOUNCEMENT OF PROGRAM OPENING

On Tuesday, June 27, the Mountain Scenic Housing Program with central office located in the Taylor Building, Spruce Pine, obtained office space (Room #3) in the Yancey County Courthouse Building. This office space was secured through efforts of the county commissioners and will be opened from 8:00 a.m. to 5:00 p.m. each Tuesday.

The Mountain Scenic Housing Program covers 4 counties: Watauga, Avery, Mitchell and Yancey. Our purpose is to encourage more home-building in rural areas through greater use of conventional and federal housing programs. We will offer guidance to builders and to buyers to wish to utilize these programs. Our initial efforts will include the following activities:

- To counsel with prospective homebuyers, and to assist in taking applications from families qualified under the federal programs.
- To assist contractors in the completion and processing of needed forms for the federal programs.
- To hold meetings between rural builders, rural buyers, and lenders.

Mortgage lending firms are on call, and we will arrange appointments for builders and buyers to meet with them.

Our success depends upon how much you will use us! Stop by, call, or send persons to see us.
