**TRAVEL and VACATION TIPS** BY THOMPSON  
Here's a new wrinkle on how to look great when you get where you're going: Unpack the clothes you expect to wear first and hang them on the shower curtain rod over the bathtub. Then turn on the hot water and let the steam rise. Wrinkles will fall out after a half hour and natural fabrics will dry quickly and smoothly. \*\*\*  
For traveling with a freer mind, the small premium for complete insurance on your luggage, clothes and personal possessions is a great investment. \*\*\*  
Taking your foreign-made camera overseas with you? Then make sure to register it with customs on the way out, or you might be charged import duties on it when you get back.
