Humans Are "Sexy" To Insects!

Did you know that biting insects consider some people more "sexy" than others? Just as people are attracted to each other by sight and smell, mosquitoes, bees and wasps respond to these sensations, too! It's not only the perfume or aftershave lotion, we wear, but also the normal smell of our bodies, the color and fabric of our clothes, and so forth.

Because reactions to stinging insects tend to get worse with each succeeding episode, and since more than 40 deaths occur annually from such reactions, allergic people should get a bee-sting kit from their drug store equipped with a tourniquet, antihistamines, and a syringe for injecting adrenalin.

But for the majority of us, a good calomine lotion preparation should be adequate to relieve the discomforts of a sting.

Each week we present the above comments for your information. We very much appreciate your readership and would be especially happy to have you express your views regarding the contents of this space.

Young Danish Men And Women In Folk Dance

Danish Youths Visit Yancey

A group of twelve Danish youth and their leaders visited Yancey County last week. They came here from Asheville July 8 to 10. The Danes are on tour of

the Mountain area as part of an exchange program emphasizing folk culture of Denmark and the United States.

They gave a folk dance performance at the Craftsmans Fair in Asheville and then proceeded to the White Oak Creek Community to visit in

homes for two days. Arrangements were made in cooperation with the White Oak Creek Community Club.

Host families met the Danish group at a potluck supper at the home of Mr. and Mrs. John Ramsay on Monday night. Families hosting the group included Charles and Joyce Ballew, Charles and Virginia Harrison, Mary Jane Ballew, Newell and Arlene Oakes, Bob Jones, James and Frances Murphy and Paul and Nancy Cope.

Tuesday morning the Danes gave a dance performance at Camp Celso. The Danes left on Wednesday to visit the John C. Campbell Folk School at Brass-town. From there they will visit the TVA at Oak Ridge, Tenn. and visit Norris Dam, then Berea College in Ky. and other places of interest on their return to Washington, D.C.

The six young men and six young women are 15-20 years of age and with their leaders, Julius and Ella Bidstrup, represent the Danish Youth and Gymnastics Association which initiated the exchange program last summer by inviting a group of 12 young Americans to Denmark. The twelve were chosen from groups in Virginia, W. Virginia, Kentucky and North Carolina who participate in the annual Mountain Folk Festival at Berea College each spring.

The American youth visited and performed folk dances in Copenhagen and other parts of Denmark.

The exchange program is to foster international understanding between Denmark and the U.S. and to encourage an appreciation by youth of the cultural heritage of both countries. The Danes visiting the U.S. this year are from Upper Jutland, an area called the

Revival Services In Unicoi

During the week of July 22 through July 28, the Rev. Nathan Penland will conduct revival services at the Memorial Union Church, Limestone Cove Community, Unicoi, Tennessee nightly at 7:30 p.m.

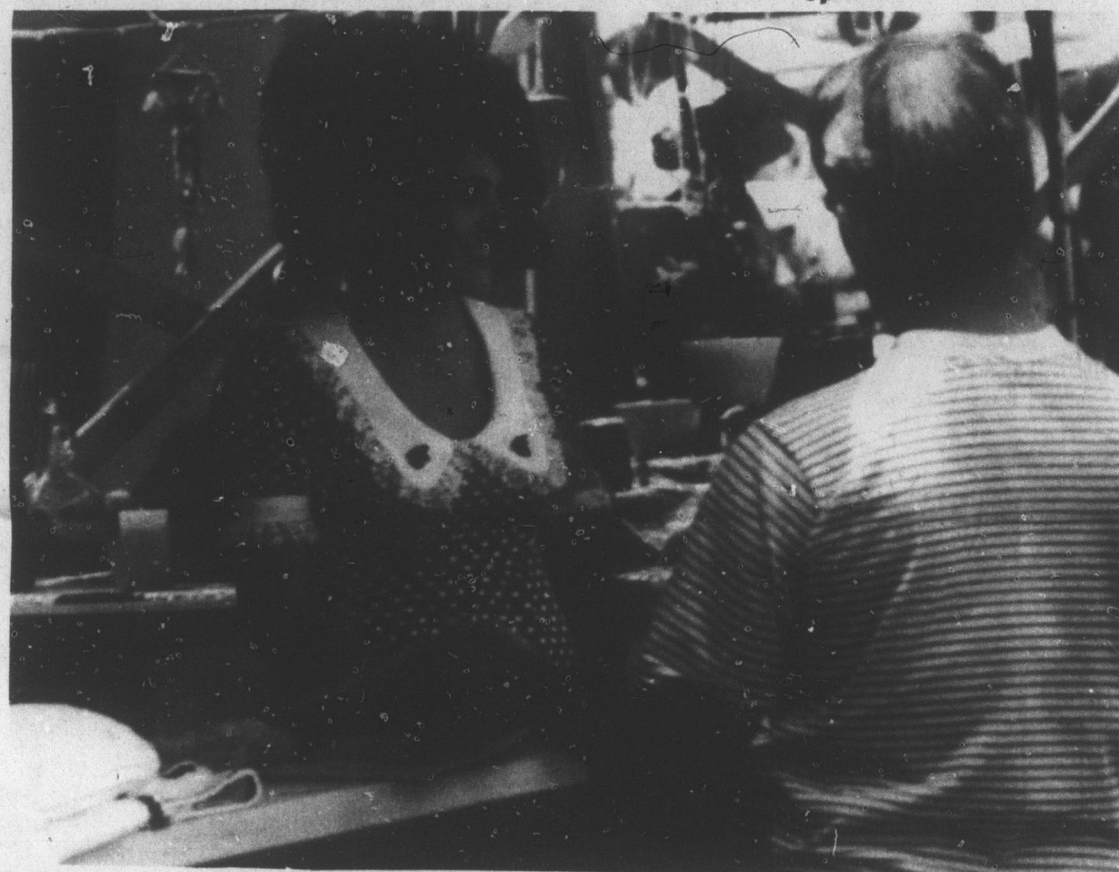

Mr. Penland is a native of Burnsville coming from the Paint Gap section and has served as a pastor in Alabama, Georgia, Florida and Asheville, N.C. before entering the full-time evangelistic field. His present ministry carries him throughout the United States and overseas. As well as a Spirit-filled speaker he is an outstanding soloist and will sing at each service. Special music will be presented each evening with testimonies by Christian laymen.

Mr. Penland, who is the brother-in-law of Rev. Bert Styles, invites his many friends and relatives to meet with him during these services.

CAP Holds Bingo Games

The Civil Air Patrol has a Bingo Game at Mountain Wilderness every Friday night, 7:00 to 10:00. Everyone is invited.

Himmerland. Several attended the school at Haubro where Mr. Bidstrup is Director. The girls are Birgitte Pedersen, Marianne Jensen, Lena Jakobsen, Elin Andersen, Inge Myrup and Annette Johnsen. The boys are Herman Haldrup, Kristian Haldrup, Thorbjorn Sorensen, Torben Myrup, John Larsen and Jan Pedersen.

Volunteer Hostess At 1973 Fair

For a small town and county the size of Burnsville and Yancey County, having the Mt. Mitchell Crafts Fair and the Yancey Youth Jamboree is quite an accomplishment, especially when one considers that both events are carried through to completion largely through volunteer effort. This has been true since the Fair began in 1956 and the Jamboree in 1968. Each year quite a bit of work in coordinating the two events is involved with scheduling enough help in order to make things run smoothly. One of the heartwarming experiences of being involved is seeing how willing people are to assist when they are asked—and one such person, shown above, is Miss Theresa Coletta, Volunteer Hostess at last year's Fair. Leaders in the Chamber of Commerce wonder if there are those who would like to help and have not been asked. Throughout the years, those who have helped have looked forward to giving their services again. It is time for scheduling volunteers for both events, which are on the calendar for the first weekend in August. For anyone who would like to give some time, feel free to call or write the Chamber of Commerce and offer assistance that will be most appreciated.

Circuit And Marathon Race

The 1st annual Bicycle Race and Marathon will be part of the 18th annual Mt. Mitchell Crafts Fair this year. Age groups in the Circuit Race will be divided into categories of 10-12, 13-16, 17-25, and over 25. In the Marathon Race, the age groups will include 16-25, 25-35, and over 35. A winner in each age group in both races will be awarded a trophy, and overall winners in both the Circuit Race and the Marathon Race will also be awarded trophies.

The Circuit Race will begin with a dead start at a given point decided on by the bicycle judge and committee. The race will consist of two or three laps, depending on the age group in which the individual is participating, and will be held on Friday around the Town Square.

The Marathon Race will begin on Saturday and will consist of a course between 12-15 miles. The course will be laid out prior to the event.

The times of the different runs will appear in the Yancey Journal at a later date. The more different groups that enter the races, the more flexibility the committee will have in making arrangements for the contests to be completed.

Each bicycle must be safety checked and given authorization to run in either race. The basic requirements to be met in the safety check are: 1. Bearings in both wheels must be tight so there is no play in the wheels; 2. Tires must be inflated to proper pressure; 3. All brakes must work properly; 4. Chain must be adjusted properly. The safety check will take place on the Square before the races begin.

All rules regarding races and racing will be made and explained prior to the beginning of races, and these must be followed or the driver and bicycle will be disqualified.

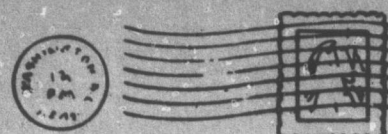

Below is an application to enter either race. It can be clipped from the paper and mailed to Bicycle Races, Yancey County Chamber of Commerce, Burnsville, N.C. 28714. A \$1.00 fee must accompany each application that is entered. Deadline for applications to be received is August 1, the day before the Fair begins on August 2.

Letter To The Editor

Dear Editor:

I am very pleased to read in the Journal the good news that they are restoring the old Courthouse building. I hope they use it as a Historical Site as I know it is the first Courthouse in Burnsville. With the other historical places such as Nu Wray Inn, and with the nearness of Mt. Mitchell and other beautiful mountains, Burnsville is a good place to keep the mountain heritage.

I was born in Burnsville and lived near the Railroad Station until I was 19 years old, in 1928. I left for Pennsylvania then, but in 1962 I took my first vacation back to Burnsville. I was amazed at how nice the town has been kept. I have good memories of Burnsville and I look forward to my Journal every week. I see a lot of people's names I knew at one time.

Print this letter if you like. Maybe my old friends will remember me by my maiden name, McCoury.

Thank you,
Mrs. Hattie Broomell

Dear Editor:

We recently sent the following letter to Postmaster General Edward T. Klassen at Grove Park Inn, Asheville. We will appreciate your printing the same letter in your "Letters To The Editor" column to convey our sentiments to the public at large.

Postmaster General Edward T. Klassen
Grove Park Inn
Asheville, N.C.

Dear Sir:

Welcome to beautiful Western North Carolina. May I brighten your day? All we hear are complaints about the U.S. Postal Service.

We started the Yancey County Country Store seven years ago. We have mailed thousands of catalogs and brochures in addition to our regular mail. We have mailed many, many packages, and received unknown quantities.

Except for a few minor instances, our mail travels smoothly and rapidly. Only one insurance claim on packages mailed or received has been necessary. Our orders go out for books, and the books are received the same week.

I can only commend our local post office, its past postmasters and employees of the Post Office Dept., and our Asheville office for their efficiency. I wish to welcome our new Postmaster, Philip R. Banks.

Thank you all, and keep up the good work.

Sincerely,
George A. Downing, Phyllis B. Downing

Jamboree Audition

The audition for the 7th annual Yancey Youth Jamboree will begin at 9:00 Saturday morning, July 20 in the auditorium of East Yancey High School. During the day, Yancey young people will be on stage rehearsing for the Jamboree which is to be on August 1 and 2 at East Yancey. The audition gives the participants an opportunity to get acquainted with each other, to talk with the Jamboree directors, and to become familiar with the set-up of the program itself. There will be auditions Folk Songs/Folk Ballads, Religious, Patriotic, and Instrumental categories.

Also included will be Clogging, Square Dancing, Folk Dancing, and Bucking.

Letters have been mailed to all participants who plan to enter the Jamboree, and times have been scheduled for the different performers.

Hospital Progress

[Cont'd from page 1]
regarding the action of the Commission, please do not hesitate to let me know. Yours very truly, I. O. Wilkerson, Jr.

The Building Fund financial status at this time is as follows:
* Government Subsidized guaranteed loan—\$3,000,000
* N.C. Medical Care Commission—\$1,000,000
* Duke Endowment—\$750,000
* Local Share—\$887,000
The total amount comes to \$5,887,000.
