Potato Rates "Show & Tell"

Miss Connie Maney, daughter of Mr. and Mrs. Frank Maney who live on Indian Creek, brought this potato to show her classmates at Bald Creek Kindergarten for "Show & Tell". Or is it a petrified duck--or rooster? The bird-like head sitting on the rounded body with a suspicion of a duck-tail at the end make this vegetable one of nature's oddities. The "nose" however, is an afterthought. The kindergarteners thought he/it needed one and added the point of a crayon to the proper spot. Connie is five years old.

Commissioner Pledges Help

Softball District Formed

State Softball Commissioner, Bert Weeks recently announced from his office in Winston Salem, the formation of a new softhall district to include Mitchell, McDowell and Yancey Counties. At the same time, Weeks also announced the appointment of John M. Manuel of Marion as commissioner for the new district.

Mr. Manuel will be working with the Yancey County Recreation Commission in their efforts to form a state-sanctioned amateur softball association in this county.

The new district will be called the Blue Ridge District and brings the total number of districts in the North Carolina Amateur Softball Association to thirty-eight.

In selecting Manuel to head up the activities of the new district, the state commissioner has picked a veteran of some thirty years experience in North Carolina softball, both as an active player and in executive capacities. He has served as Secretary of the North Carolina Amateur Softball Association for the past eight years and also is state commissioner for the rapidly expanding junior softball program in the popular slow-pitch softball in the Southeastern part of North Carolina in 1960 and formed the first district in that area. In 1965 he introduced slow-pitch softball to that position of North Carolina West of Soco Gap and served as district commissioner in that region until being transferred to Marion by Burlington Industries last summer.

Manuel has been employed by Burlington Industries for thirty years and currently is plant manager of the Clinchfield Plant in Marion where he resides with his wife, Dolores and son Joh, who is a senior at McDowell High School and a member of the baseball team. The

ready played an active part in working with the McDowell County men's softball league. He recently stated, "McDowell County already has one of the better softball programs in North Carolina and I look forward to being of assistance to the softball programs in Mitchell and Yancey Counties as well as the more established programs in McDowell. I have already learned that a top caliber of softball is played in Mitchell and Yancey and I hope we can bring all teams from the three-county area into district and state

One phase that Manuel would like to see begun locally is the creation of junior girl's leagues to give the young ladies some competitive participation during the summer, similar to Little League and Pony League play that is available to boys. "North Carolina has an outstanding junior program highlighted by a state tournament each year. Last year Hayesville won the state championship and went on to place fifth in the National tournament in Florida," he commented.
